

List of Laboratory equipments with quantity needed for MSc GEOLOGY programme

Sl. No.	Name of the Equipment/Specimen	Quantity (Approximate numbers)
1.	Polarizing microscope (Single ocular)	10
2	Polarizing microscope (Binocular)	2
3	Brunton Compass	10
4	Clinometer Compass	10
5	Geological Hammer	10
6	Hand lens	5
7	Magnet	5
8	Pocket Knife with steel blade	5
9	Haversack	10
10	Survey of India Toposheets and /or Open series maps of Survey of India	20
11	Global Positioning system (GPS)	03
12	Streak Plate	15
13	Hardness Box	5
14	Acid Bottle	5
15	Crystal Models	60
16	Mineral Hand specimens	120
17	Mineral Thin sections	75
18	Rock Hand specimens	100
19	Rock Thin specimens	60
20	Fossils	60
21	Pocket Stereoscope	10
22	Safety eye wear	10
23	Rock chisel	10
24	Computer system with open-source GIS software	1
24	Mirror Stereoscope	1
25	Stereopairs of aerial photographs	10
