ACTION RESEARCH AND EDUCATION

INDIA-NORWAY CO-OPERATION  
UNIVERSITY OF KERALA &  
NORWEGIAN UNIVERSITY OF  
LIFE SCIENCES

### Important Dates:

- Application process starts 6<sup>th</sup> May 2017
- Application process ends 20<sup>th</sup> May 2017
- Beginning of the course 1<sup>st</sup> June 2017
- Duration of the course 28 days

### About the course:

The course envisages to inculcate capabilities in action based learning in agroecology by fostering knowledge and skills for analysing and developing sustainable agroecological models. The focus areas will be organic agriculture, farming and food systems, health and nutrition and agronomics. The aim of the course is to equip the students with core competences to address the transdisciplinary challenges of sustainable development, based on action-reflection methodology. Certification will be based on continuous and comprehensive evaluations.

The course is housed at the Department of Economics, University of Kerala and aims to develop human resources in the field of sustainable development with focus on agroecology.

### How to apply:

Candidates who possess a post-graduate degree or equivalent qualification in science, economics and social sciences can submit application with a brief biodata to the Project Co-ordinator, Indo-Norwegian Collaboration in Action Research and Education, Department of Economics, University of Kerala via email ([agroecology.ku@gmail.com](mailto:agroecology.ku@gmail.com))
