University of Kerala

Dear Sir/ Madam,

University of Kerala is organizing a two day workshop during 2nd and 3rd May 2018 on Reforms in the Examination Systems, basically to evolve a Life Cycle Management System for the conduct of Examinations. The objective is to ensure timely conduct of examination and publication of results through ITES and systems. We attach great significance to this workshop as the outcome is expected to create an automated system for the examination wing of University of Kerala through comprehensive restructuring of its functions and processes. We have great pleasure in inviting you to participate in the workshop and support the examination reforms process through your valuable insights in this regard.

Director,
