ORDER

The Regulations relating to the First Degree Programmes under CBCS system of the University stipulates that candidates undergoing the Programmes shall have registered for the examination conducted at the end of a semester to become eligible for continuing their studies in the next semester of the Programme. 3. The candidates can notionally register for the End Semester Evaluation (ESE), concerned, on payment of Rs. 800/- in addition to the normal examination fee.

The provision relating to Notional Registration is applicable to students who are punished for malpractice and are attending regular classes so as to enable them to complete the programme. However, they will not be allowed to appear for the University Examination till a final decision is taken in their case.

The application for Notional Registration in the prescribed form for registration to the ESE together with the Chalan / DD for the required fee remitted shall reach the Controller of Examinations within 30 days from the last date of examination through the Principals / Head of the Institutions where the students are studying.
