The course completed students of B.Tech Degree Course were permitted to improve the sessional marks by attending the regular classes of the alternate subjects prescribed by the respective Chairmen, Boards of Studies in Engineering (Pass I, II & III) vide University Order read above.

The alternate subject prescribed for the subjects 08.404 ‘Electrical Measurements-I’ and 08.503 ‘Electrical Measurements-II’ under Electrical and Electronics Engineering branch was 13.404 ‘Electrical Measurements and Measuring Instruments’(E) in 2013 Scheme.

As it was noted that the subjects ‘Electrical Measurements I’ & ‘Electrical Measurements II’ are combined to a single subject 13.404 ‘Electrical Measurements and Measuring Instruments’ in 2013 Scheme, the Chairman, Board of Studies in Engineering (Pass III) in consultation with the Chairmen, Boards of Studies in Engineering (Pass I & II) remarked that the students who applied for improvement of sessional marks of the subjects 08.404 ‘Electrical Measurements-I’ and 08.503 ‘Electrical Measurements-II’ be permitted to attend the classes of the same in 2008 Scheme, as a special case, by assigning a faculty by the Principal of the College, to supervise the students.

Sanction has therefore been accorded by the Registrar to the students who applied for improvement of sessional marks of the subjects 08.404 ‘Electrical Measurements-I’ and 08.503 ‘Electrical Measurements-II’ being permitted to attend the classes of the same in 2008 Scheme as a special case, by assigning a faculty by the Principal of the College, to supervise the students based on the recommendation of the Chairman, Board of Studies in Engineering (Pass III).
