

ARABIC RESEARCHERS' FORUM

DEPARTMENT OF ARABIC, UNIVERSITY OF KERALA

Arabic Researchers' National Conference (15/11/2017)

Introduction

In India, Arabic Language and Literature has gained commendable achievements by its scholars. Many of their invaluable works have been attained great appeal in global academic scenario. Indian Academic contributions in Arabic chiefly represent the culture and history of the nation as well as other leading areas of the concerned discipline.

Department of Arabic – University of Kerala has decided to conduct a National Conference of Indian Arabic Research scholars hoping a new horizon in research oriented academic initiatives. The proposed conference will discuss scope and limitations of Arabic Researches and related academic creativities. This attempt aims at creating a Researcher's Platform where Arabic research scholars can interact, exchange and collaborate to enrich the legacy of research studies

Objectives

- To bring Indian research scholars in Arabic under one umbrella
- To provide opportunity for interaction and research clarifications
- To explore new possibilities in academic initiatives of Arabic researchers
- To discuss various Arabic literates and valuable Arabic works in detail
- To find out contributions of Arabic language for Indian cultural transactions
- To coordinate Arabic researches related with Indian history & culture
- To help understand scopes and limitations in concerned topics of Arabic research areas

Focal Areas

- New trends in modern Arabic literature

- Methods of Arabic language learning & teaching
