Preface

With a view to maintaining quality in the curricular programmes offered by the University of Kerala, the B.Ed. curriculum was revised in 2013. Within months of the implementation of the revised curriculum, the National Council of Teacher Education (NCTE), decided to extend the duration of the B. Ed. programmes offered in the country from one year to two years. The NCTE Regulations 2014 and other documents provided guidelines for framing a curriculum for the two year BEd. Programme. So from February 2015 regular meetings of the members of Faculty & Board of Studies, Workshops with teacher educators as participants and meetings of subject experts commenced soon and this new curriculum evolved.

The vision statement of the curriculum reads: *Empowerment of prospective teachers with value embedded and competency-based teacher education curriculum, to equip them to be professionally competent, adaptable and socially committed, to meet the challenges in a knowledge society.*

With a view to realize the proposed vision and produce a prospective teacher who is fully equipped to teach a learner of the 21st century, several novel topics have been introduced and various instructional strategies have been advocated. Perhaps the decision to extend the scope of techno pedagogy which was already introduced in the earlier revision will make this venture of the University of Kerala unique in every respect.

The Faculty and Board of studies in Education (Pass) of the University of Kerala would like to place on record our sincere appreciation of the dedicated effort of the fraternity of teacher educators for this noteworthy contribution.
