

Sanskrit

Abhijñānaśākuntalacarcā

Ed: Dr. K. Raghavan Pillai

A critical commentary on the Abhijñānaśākuntala of Kalidasa. The author cites various views of other commentators on the different problems which concern the drama, as well as the portions in the text itself and argues to establish his own particular points of view.

This work is important from the historical point of view also since it provides valuable information on the Saluva dynasty.</p> <p>Pages: 352 Price : 300.00 Availability: Available.</p>

Saṅgītasamayāsārah

Ed: T.Ganapathi Sastri

A famous work on music in Sanskrit. The author of the work is Parsvadeva as is evident from the colophon at the end of the manuscript. It is the first work on music offered to the public in the Trivandrum Sanskrit Series. It is not known when and where the author lived, but it is probable that he was of Jain persuasion as he bore the name of Parsvanatha, one of the Jain Tirthankaras.
