## INTRODUCTION

It is with immense pleasure that I present before you the Annual Report of University of Kerala for the year 2024. Major activities and achievements of the University are presented in this report. In 2024, University of Kerala was ranked 21<sup>st</sup> in University Category, 9<sup>th</sup> in State Public University Category, and 38<sup>th</sup> in Overall Category among Universities in India in the National Institutional Ranking Framework (NIRF). University bagged 339<sup>th</sup> rank in Asia & 88<sup>th</sup> rank in Southern Asia category in the QS World University Ranking 2025. The teamwork of our faculty, staff, students and other stakeholders in association with IQAC deserves special mention and appreciation. As far as Intellectual Property is concerned University could attain three patents in the year 2024, with the support of TRIC-KU.

As part of implementing the Four-Year Undergraduate Programme (FYUGP), University of Kerala has introduced 16 Major Programmes and 51 Minor Programmes in University Departments. Currently the FYUG Programme are being implemented & monitored by Centre for Undergraduate Studies (CUS) with the cooperation of Teaching Departments.

The Centre for Global Academics could attract students from abroad under the ICCR framework. About 212 International Students from 52 countries are currently pursuing various programmes in the University. The Consultancy Cell and Placement Cell are working towards its cherished goals in terms of support for consultancy projects and students placement.

As far as Infrastructure is concerned, two new hostels under the KIIFB project and one Advanced Centre for Regenerative Medicine and Stem Cell Research in Cutaneous Biology (AcREM-STEM) lab under PLEASE scheme of Government of Kerala have been inaugurated. Extensive Laboratory support facilities extended through CLIF with modern equipment and Seminar hosting infra-structure, stood out as a blessing for academicians and researchers. Improvised Canteens and food services, campus beautification and on campus commutation services for students through buggies were all taken up during the year. Extensive Training programmes were initiated for all the administrative staff, with a reformulated curriculum and plan of action. University has formed a Centre for Academic and Professional Training for this purpose.

University of Kerala has been nominated by UGC as the Nodal University in Kerala for writing academic textbooks in Malayalam by coordinating all Universities and activities regarding this are ongoing. The University of Kerala has been proudly selected among 10% HEIs, and as a sole institution from Kerala, in the prestigious Accessible India Campaign by the University Grants Commission. University has received an appreciation for its noble initiatives for making the campuses inclusive and accessible during the 2024 Accessible Audit. The Committee commended that the University can become a role model for other institutions for this novel initiative.

University has undertaken various cultural and literary activities for faculty, staff and students, which includes Youth Festivals, Cultural Festivals as well as Painting exhibitions. Regarding Academic Bank of Credit (ABC), 73775 ABC IDs have been created for students from 2021 admission onwards for various UG/PG Programmes.

I recall with gratitude the academic Interventions of our Teaching Departments in terms of hosting seminars, workshops and training programmes, as well as the social intervention services rendered. The University could achieve remarkable progress in new Startups under Kerala University Business Innovation and Incubation centre.

I place on record my sincere gratitude to all members of the Syndicate, Senate, Academic Council and all the Academic bodies, Statutory Officers, Faculty and Staff of the University of Kerala for their whole hearted cooperation and support extended to me through the year.

I wish to offer all good wishes to those employees and teachers who have retired from University service during 2024. I also wish to offer my rich tributes and homage to all those employees who passed away while in service during this period. I remember with gratitude the timely advice and help given to me by the Hon'ble Chancellor and the Government of Kerala in the administration and management of this great Institution.

I wish the year 2025 would bring further glory to University of Kerala and we work together to convert this University to Centre of Excellence.

**Prof. (Dr.) Mohanan Kunnummal**  
**Vice Chancellor, University of Kerala**

## **OUR VISION**

- ◆ To have institutional autonomy and academic freedom
- ◆ To have strong but impartial public governance
- ◆ To be campus rooted but internationally oriented
- ◆ To be knowledge based and student centred
- ◆ To be research driven and learning focused
- ◆ To be quality and cost conscious but socially responsible
- ◆ To be technologically sophisticated but community dependent
- ◆ To be professionally attuned but humanly sensitive and above all
- ◆ To be publicly accountable and socially committed

## **OUR MISSION**

---

- ◆ To emerge as a centre of academic excellence through holistic education and development of right skills
- ◆ To be recognized as the hub of original research and innovative thinking that caters to the needs of the Industry and Policy Makers
- ◆ To strengthen the Consultancy services of the University through a full-fledged University- Industry tie-up and thereby tap resources of the Industry for its teaching, research and extension services
- ◆ To actively respond to the momentous issues of our society and socio-political environment of the world
- ◆ To transform our traditional University into a University of global standard that makes significant contribution at the international level
- ◆ To ensure that Departments and centres in the University have autonomy within the frame work of the established system and facilitate the same choice to the affiliated colleges.
- ◆ To produce young entrepreneurs who can provide job opportunities rather than be job seekers
- ◆ To be known across the globe for the diversity of its teachers and students, and the quality and employability of its graduates, in diverse fields
- ◆ To produce internationally known leaders, scholars/scientists and sports persons

## **University of Kerala**

### **A Profile**

#### **Introduction**

The University of Travancore, which subsequently became the University of Kerala, was established in 1937 through a proclamation by the Maharaja of Travancore, Sri Chithira Thirunal Balarama Varma, who also served as its first Chancellor. Sir C. P. Ramaswamy Aiyar, the then Diwan of the State, was the first Vice-Chancellor of the University of Travancore. With the enactment of the Kerala University Act (Act 14 of 1947), the University of Travancore was renamed the University of Kerala in 1957. Currently, the University of Kerala has 195 affiliated colleges, including Arts and Science colleges, and institutions offering programs in Law, Management, Education, Physical Education and Hotel Management and Catering Technology. These institutions operate as Government Colleges, Private Aided Colleges, and Private Unaided Colleges. Postgraduate programmes in affiliated colleges follow the semester system, while undergraduate programs have adopted the Choice-Based Credit and Semester System (CBCSS).

#### **Credentials**

The University of Kerala has been reaccredited with an 'A++' grade (3.67 grade points) by NAAC and consistently ranked among the 40 best Universities in India under the National Institution Ranking Framework (NIRF) since 2017. In 2024, the University was ranked 9th among State Public Universities, 21st among all Universities in India and 38<sup>th</sup> in overall category. In the KIRF Rankings 2024, University of Kerala was ranked 2<sup>nd</sup> under University Category. In 2017, the University of Kerala was placed in the 801–1000 band in the Times Higher Education World University Rankings among universities across the globe. The University of Kerala has also won the first-ever Chancellor's Award for the best University in the state, which was instituted by the Hon'ble Governor of Kerala in 2015.

#### **Research and Teaching Departments**

The University of Kerala has started the Four Year Undergraduate Programme (FYUGP), implemented through the Centre for Undergraduate Studies (CUS). As part of the FYUGP, the University has launched 16 Major programmes, complemented by 51 minor programmes. This variety of options ensures students to tailor their academic journey to match their interests and career goals.

The University of Kerala has 43 departments offering diverse teaching and research programmes at the Master's level and research degrees leading to Ph.D and a School of Distance Education (now renamed as Centre for Distance and Online Education-CDOE). These departments collectively host 72 postgraduate programmes and 1,736 courses. For academic synergy, the departments have been reorganised into eleven Schools. Additionally, the University has recognised several other institutions as its research Centres. The University has 306 teaching faculties of which 195 are regular faculties. 180 of the regular faculties have a Ph.D degree.

In addition to its departments and research centres, the University of Kerala hosts several advanced centres for interdisciplinary learning and research. These include the Inter-University Centre for Alternative Economics, the Inter-University Centre for Advanced Material Research, the Inter-University Centre for Genomics & Gene Technology, the Inter-University Centre for Geospatial Information Science and Technology, the International Inter-University Centre for Natural Resources Management, the Inter-University Centre for Evolutionary & Integrative Biology, and the State Inter-University Centre of Excellence in Bioinformatics.

As part of social and ethical commitment, the University hosts centres that promote cultural and social values in a pluralistic community, like the Centre for Gandhian Studies, Centre for Women's Studies, Christian Studies Centre for Cultural and Social Change, Centre for Cultural Studies, International Centre for Sree Narayana Guru Studies, Centre for Vedanta Studies, Centre for Canadian Studies, Centre for Australian Studies, Centre for Comparative Literature besides a Centre for Performing and Visual Arts. Separate Chairs have been established at

the University to address the cause for equity and social inclusiveness. The Chairs are V. K. Sukumaran Nayar, Chair for Parliamentary Affairs; Dr B. R. Ambedkar, Chair; Mahatma Ayyankali, Chair and Tagore, Chair. The University of Kerala has a separate School for Distance Education. The University is committed to disseminating its research output through public lectures and events that engage the academic community and the general public. As part of this commitment, the University of Kerala organized "Heights KU Researchers' Fest 2023" in June 2023, showcasing the university's research output.

#### **UGC Human Resources Development Centre (UGC - Malaviya Mission Teacher Training Centre (MMTTC))**

The UGC-Human Resources Development Centre (UGC-HRDC), now UGC - Malaviya Mission Teacher Training Centre (UGC-MMTTC), is set up with UGC aid and offers orientation and refresher courses to teachers in affiliated colleges. The Centre has its own infrastructure of training halls, a computer laboratory, and support services. The Centre has been recognized as a National Resource Centre (NRC) by the Ministry of Human Resource Development (MHRD) for Commerce, offering the Annual Refresher Programme in Teaching (ARPIT) for teachers across the country. In 2022, it was ranked first among India's best Human Resource Development Centres.

#### **Library and Publications Department**

The Kerala University Library, established in 1942, has over 3.75 lakh books and over 1000 bound volumes of journals. It is a depository of UN and World Bank publications and provides access to over 9000 online journals. The Campus Library at Kariavattom also offers similar services. The Oriental Research Institute and Manuscripts Library has an invaluable collection of rare and precious manuscripts and has been made the State Nodal Agency to preserve and document manuscripts. This centre is Digitising rare manuscripts.

The Department of Publications, one of the oldest departments of the University, has created a series of glossaries on science subjects, popular science books, and translations of classics. The two volumes of Kerala Sahitya Charithram written by Mahakavi Ulloor S. Parameswara Aiyar and the series 'Sahithya Nayakanmar' (Men of Letters) are some of the most prestigious publications of the Department. The 'Chitra Ramayana', based on palm-leaf manuscripts, is another notable publication. The University also published the first-ever complete English translation of 'Hortus Malabaricus', the classical treatise on the plant wealth of Asia and the tropics, in 2003. Its Malayalam version was published in 2008.

The Department of Malayalam Lexicon has released the nine volumes of the Malayalam Lexicon. Since 1946, the University has published the Journal of Indian History, a significant publication on historical studies and research. Swathi Tirunal's first e-book, 'Bhakthi Manjari,' was published in 2013.

#### **Other Institutions**

The University of Kerala has a state-of-the-art centralized instrumentation facility supporting high-end research in sciences called the Centralized Laboratory for Instrumentation and Facilitation (CLIF). The university has its own astronomical observatory, facilitating physical and space science learning. The Department of Physical Education has gifted outstanding sportspersons to the country. The University is the first in the State to have a synthetic track. The establishment of the Lakshmibai National College of Physical Education at Kariavattom, managed by the Government of India, is another landmark in the history of the University. The Centre for Adult Continuing Education and Extension (CACEE) is an important centre at the University of Kerala, offering many short-term courses like TV News reading, Functional English, Yoga, etc. The CACEE received the UNESCO-NLM award for Literacy in 2005. The Department of Student Services engages in student support and welfare activities. Separate health centres on both campuses are a unique feature of the university; health issues of teachers, students, and staff are addressed through the issue of health cards.

The University's Computer Centre offers a convergence point for data capturing and dissemination of information. University's website. [www.keralauniversity.ac.in](http://www.keralauniversity.ac.in) provides services like downloadable application forms, question papers from past examinations, free resource links, online catalogues in the library, etc. The daily press releases and results of examinations are published online. The University also issues Degree Certificates with Holograms with over 112 security features. The System for Automated Governance of Examination (SAGE) developed by the Computer Centre is a unique facility which has enabled online registration and e-payment for examinations. The online degree verification system and the new Examination and Research portals are also the contributions of the Computer Centre. These efforts have won laurels in the form of widespread appreciation and the State Government's award for e-governance. Admissions to UG/PG/CSS courses of colleges/departments affiliated with the University are now online.

On 28th December 2000, the University conferred the Honorary Degree of D. Litt. on Nobel Laureate Prof. Amartya Sen. The other scholars honoured recently through the conferment of honorary degrees are Dr. K. J. Yesudas and Dr. Laurie Baker (2003), Prof. O.N.V Kurup (2007), Dr. G. Madhavan Nair (2007), Shri. Justice K.G Balakrishnan (2008), Shri. Adoor Gopalakrishnan, Shri. Mammootty and Shri. Umayalpuram K. Sivaraman (2010). In 2019, the University conferred an Honorary Doctor of Science to Dr. Jayant V. Narlikar, Sri. Kris Gopalakrishnan and Scientist C.N.R. Rao.

The University of Kerala has widened its horizons by entering into academic collaboration with many foreign Universities like the University of Colorado, USA; University of Lisbon, Portugal, Ural Federal University of Russia, Louisiana State University, USA, Leibniz Centre for Tropical Marine Research, Germany, State Agency Spanish Council for Scientific Research, Spain etc. The UGC has identified the University as one of the 26 institutions selected for the promotion of India Studies by foreign students. In 2006-07, the University organised the Suvarnakeralam celebrations to mark the Golden Jubilee of the formation of the State of Kerala. To promote Malayalam Language and Literature, the University of Kerala, along with the Federation of Kerala Associations in North America (FOKANA), instituted an award for the best Ph. D. thesis in Malayalam produced by the Universities in the state every year. The 'Bhashakkoru Dollar' award consists of Rs. 50,000/- cash award and a citation. University of Kerala has been host to 97<sup>th</sup> Indian Science Congress, Indian History Congress, All India Commerce Conference, All India Accounting Conference and All India Sociology Conference.

Several development and academic activities were initiated during the Jubilee year in connection with the Platinum Jubilee Celebrations. Developmental activities include the K. R. Narayanan Memorial Students' Amenity Centre in the Senate House Campus. The O.N.V Kurup Memorial in the Kariavattom Campus houses departments that promote studies in Indian languages. The University Departments and affiliated colleges have conducted several International/National seminars and conferences. The entire campus is Wi-Fi enabled.

Over the past few years, the University of Kerala has initiated several interventions to impart quality in its academic interventions and attain global standards of excellence. Interaction with Eminent Scholars is an initiative to foster collaboration in research and exchange of views with globally reputed academic institutions. Award for Best Research Projects, formation of the Institution's Innovation Council, and strengthening of the Research Council are initiatives of the University in creating Intellectual property as research outcomes. The University has initiated a programme for inter-disciplinary learning entitled Annual Interdisciplinary Academic Meet and a programme to draw inspiration from eminent scholars entitled Meet the Scholars. Academic Audit is part of the University's exercise for introspection and reflection over corrective measures in its educational pursuits.

The University of Kerala is renowned for its social commitment and dedication to national integrity. University has launched a Palliative Care initiative to promote care and affection for the elderly, particularly those deprived. In addition, the University observed Kargil Vijay Diwas in association with the Southern Naval Command, Thiruvananthapuram, to honour the sacrifices made by our soldiers. University's commitment to social self-reliance is further demonstrated through the Harithayam Project, which focuses on cultivating paddy and vegetables, and the Karshika Fellowship for students engaged in agricultural studies.

In recent years, the University of Kerala has initiated several infrastructure projects enhancing building space and new academic programmes and courses. In 2022, the University enhanced its start-up presence and created an Incubation ecosystem through the Kerala University Business Innovation and Incubation Centre (KUBIIC), and could attract more foreign Students through the Centre for Global Academics. The University of Kerala focuses on creating useable outcomes from research and translating research outcomes into products and services. The university has already set up the Translational Research and Innovation Centre (TRIC-KU) to enable this. To create more awareness among job seekers, create better-trained candidates, and bring employers and job seekers under the same platform, the University has established a Placement Cell.

The University Consultancy Cell encourages faculty to undertake consultancy projects, and the research ecosystem has incentivised the creation of Intellectual Property in the form of Patents. The Alumni Association is well organized and supportive, with many initiatives for university stakeholders. Inspired by its visionary founders, the University of Kerala continues to progress, carrying forward its rich tradition and legacy while aspiring to achieve greater heights in the years ahead.

## IV. PLANNING WING

The main functioning of the Planning Wing is procuring funds under plan and its utilization for the development of academic, administrative, research and infrastructure development of the University. Its function under the leadership of Dr. Mini Dejo Kappen as the Director, was largely successful in obtaining sizable quantum of funds not only from the State Government as grantee institution but also from various funding agencies of both Central and State Government.

**Major activities done under the Planning wing during 2024 are detailed below:**

**1. UGC Programme**

Settlement of UGC programmes like Special Assistance Programme (SAP), General Development Assistance (GDA), Innovative Assistance is in processing.

**2. Kerala University Business Innovation and Incubation Centre (KUBIIC)**

The University of Kerala established its Industry Incubation Centre, now renamed as KUBIIC, in 2006. KUBIIC aims to foster innovation by supporting researchers, students and recent alumni in launching startups with faculty mentorship. The Centre promotes innovation, collaboration, job creation, and industry-university partnerships. So far, 103 startups got approval for incubating startups. Out of which, 10 startups got listed in the year of 2024.

Sl. No	Name of the Startups	Department	U.O no with date
1.	Venture Reality (Legal Startup)	Law	4883/2024/UOK dated 14.06.2024 & 8410/2024/UOK dated 04.10.2024

9.	Bio-Banking & Biopharmaceuticals (Clout Bio Innovators Pvt Ltd)	Biotechnology	
10.	Reverse vending machine (Sygnius Lab)	University Engineering College, Kariavattom	

Further, actions were taken for facilitating Faculty Startups in the existing startup policy guidelines of KUBIIC by constituting a sub committee.

**3. Socio-Economically Disadvantaged Groups(SEDGs) Cell in the University**

As per the UGC Guidelines, all HEIs has to set up SEDGs Cell to ensure opportunities for inclusive, equal and quality higher education to the SEDGs students. The SEDGs Cell shall ensure the protection of the constitutionally guaranteed rights, dignity, safety, and security of all individuals belonging to the SEDGs and also ensure them equalizing access and opportunities to pursue higher education with the help of the existing statutory bodies such as SC/ST Cell, Equal Opportunity Cell, etc. Accordingly, a SEDGs Cell has been constituted in the University.

#### 4. Institutional Development Plan (IDP)

It refers to a plan of action or a set of directives that pivots the institutes towards academic and professional achievement. The University Grants Commission (UGC) has provided guidelines for Higher Education Institutes to prepare elaborate IDPs. For this, a Committee has been constituted for implementing IDP in our University.

#### 5. Establishment of Science Park

The Government of Kerala had accorded administrative sanction for the establishment of Science Park in the Government Budget Speech 2022-23, with University of Kerala as the Principal Associating University.

## **IX. UNIVERSITY PLACEMENT CELL**

Year of establishment: 2012

Convenor: Dr Christabell P.J., (Email: uplacementcell@keralauniversity.ac.in; Ph: +91 9497850893)

The University of Kerala has a vibrant Placement Cell that brings esteemed organizations and talented students to the same platform. This gives a golden opportunity for organizations to select the best available talent in the state for a job/ internship. The placement cell also allows the professionals to interact with the best academics in the state.

The University of Kerala has launched the Kerala University Placement Cell to achieve the following specific objectives:

- ◆ To create awareness among students regarding available career options and help them in identifying their career objectives.

- ◆ To guide the students in developing skills and job-search strategies required to achieve their career objectives.
- ◆ To Identify suitable potential employers and help them achieve their hiring goals.
- ◆ To organize activities concerning career planning.
- ◆ To act as a bridge between students, alumni, and employers.
- ◆ To take feedback from the industry and provide inputs for the curriculum.

The activities of the Placement Cell are at two levels - at the University Placement Cell level and the Teaching department level. Various programmes are planned and executed every year. It includes:

- ◆ Orientation programme on the career options for the students in each teaching department of the University;
- ◆ Orientation programmes on Personality Development, Communication Skills, Group Discussion, Mock Interview, etc.
- ◆ Public Sector Competitive Exams Training (eg: Civil Services, Defense Services, etc.)
- ◆ Job Fair for the existing and former students

In order to achieve the above-mentioned objectives, the Placement Cell has conducted an array of programmes in the year 2024. It included Campus Placements, Recruitment Drives, Industry-Academia Interaction, Career Orientations for different disciplines, and Placement Preps Training Programmes. A total of 51 events were conducted/organized for the benefit of the students at the University of Kerala in the year 2024. The details are summarised in the tables presented below:

## OTHER DEPARTMENTS

### COMPUTER CENTRE, UNIVERSITY OF KERALA

For the past eleven years, the Kerala University Computer Centre (KUCC) has established itself as a key centre for managing IT-related services and infrastructure throughout the University campus. KUCC has played a vital role in offering consultancy services to external organizations by handling numerous projects. Since its establishment, the Computer Centre has been instrumental in delivering a variety of services to the University's faculty, staff, and students. The introduction of a University-wide network has further broadened the Computer Centre's responsibilities, ensuring uninterrupted service delivery and round-the-clock availability. The Kerala University Computer Centre (KUCC) boasts an in-house data center, advanced high-performance computing systems, training facilities, modern servers, storage solutions, and a range of sophisticated application software. It delivers services across the University via a 1 GBPS fiber-optic network that interconnects academic departments, hostels, libraries, building complexes, and other central facilities. KUCC provides a seamless e-campus experience with 24/7 high-speed internet access, ensuring reliable and uninterrupted connectivity. Computing facilities are available in department labs, hostels, and libraries, connected through a wired Gigabit LAN and supported by Wireless Access

Points. The Computer Centre has successfully transformed the University into a Wi-Fi-enabled e-campus. Additionally, KUCC collaborates with various government organizations to offer IT-enabled services through its consultancy projects.

KUCC's workforce consists of both technical and administrative staff, all working under the direction of the Director of the Computer Centre. The technical team includes programmers, system administrators, and technicians. The projects undertaken by the Computer Centre in 2024 are as follows:

**1 CENTRE FOR DISTANCE AND ONLINE EDUCATION  
(CDOE)(School of Distance Education - SDE)) - Software updates**

**SDE Admission Portal**

DEB ID integration with API calls for the 2024 Admissions as per the directions from UGC.

**SDE Administration Portal**

- 1 Enabled late CA mark entry for readmitted students and implemented user-wise CA entry count tracking for faculties.
- 2 Excel-based e-grantz details upload module with individual entry verification and bulk deletion options.
- 3 Included e-grantz fee details in financial year DCBs.
- 4 Facilitated e-grantz refund cheque entry through the SDE administration.
- 5 Modified 2024 enrollment-related functionalities with DEB API integrations.
- 6 Initiated TC cancellation and reversion process for temporary purposes.
- 7 Added view for cancelled students.

**SDE Student Portal**

- Remittance type checking incorporated at the exam registration link.

**SDE Tabulation**

- 1 Enabled false number and mark entry after results publication for completing the late ESA marks.
- 2 Made corrections to the DCB generation module for students eligible for fee concessions.
- 3 Developed the ABC ID exam credit data generator for SDE students.

**2 TABULATION**

Efforts are currently in progress to enhance and modify the system for generating transcripts of marks from tabulation software, including CBCS and PGSS, as part of the ongoing online certificate project. This involves analyzing the existing workflow, identifying areas for improvement, and implementing necessary changes to streamline the process and ensure accurate transcript generation.

Simultaneously, work is underway to integrate various details and metrics from the SLCM software into the dashboard project. This includes collecting and analyzing data, designing intuitive dashboards, and ensuring that integrated details—such as student counts and other relevant information—are displayed in a user-friendly and comprehensive format. The objective is to provide an efficient tool for tracking and managing key student-related activities.

**3. Revamped website for University of Kerala**

In February 2024 Revamped website for University of Kerala was launched..

**4. On-screen evaluation of answer books**

In the quest to go digital and to publish examination results in a timely manner, a software was developed and implemented last year to facilitate online evaluation of answer books of certain programmes like MCA, B.P.Ed., M.P.Ed., MBA, Integrated LLB, etc. For this purpose, the answer books of students received from colleges were digitally scanned using a high-resolution web camera. Subsequently, the resultant images were merged into a PDF file, which is then uploaded to a secure server with unique identifiers as file names. The valuation of such digitally scanned answer books is then done in online mode using SLCM (Student Life Cycle Management) software. In the past few months, all these steps have significantly improved the time taken for the publishing of results.

This year, a new lab facility was established with 20 machines dedicated to the scanning process. Consequently, it is expected that, in the coming years, result processing and publishing will be much faster. Additionally, more programs can be integrated into the online scanning process.

## 5. Application Programming Interface (API) Development

The API project was envisaged in the year 2022 to fully integrate all the different software project services developed and implemented over the years by the University. Most of the projects rolled out previously were deployed as isolated applications, using different technologies and platforms.

This API project is expected to bring all the services offered by these different software applications under one roof, thereby facilitating prompt and proactive decision-making by the University staff using real-time analysis of the data made available through these APIs.

In the year 2024, a large number of APIs were developed, and many of these APIs are currently being used by a number of new and existing software projects. This has significantly reduced the development time for such projects.

## 6. Affiliation Project

A new software for inviting affiliation requests from various colleges was developed and rolled out in 2022. Using this software, applicants were provided the provision to apply for:

- New colleges,
- New programmes, and
- Enhancements in seat count for existing colleges in different programmes.

A provision to generate multiple reports and statistics was also made available to the concerned section through admin login. This year, the affiliation portal was reopened to accept applications from colleges, resulting in the submission of over 80 applications.

## 7. Modifications in Online Payment Portal

In order to provide more options to users for making online payments, the implementation of a new payment gateway, RazorPay (offered by Canara Bank), was undertaken by the Computer Centre.

The integration process for the proposed gateway is currently underway and is expected to go live in the first quarter of 2025. This initiative is anticipated to significantly reduce user queries related to payment failures, as students and other stakeholders will have an additional gateway option for making online payments.

## 8. FYUGP(Four Year Undergraduate Programme)-New Modules

A new module has been developed within the existing SLCM and ERP software to manage the FYUGP (Four Year Undergraduate Programme) system. The module includes the following features:

- SLCM (Student/ College Staffs)
- Draft Syllabus: Option to view the draft syllabus of the FYUGP disciplines
- Academic Path way: Option to view the academic path way of a candidate
- Discipline Assignment: Option to assign staffs for each discipline so that he can enter College Basket details
- College Basket: Option to assign courses under each discipline from the university basket to the college basket by each college's Academic coordinator
- Course Registration: Option to register the courses for each candidate for a semester which can be done by the Academic Coordinator
- Class Time Table: Option to show a template for class time table. It can serve as a helpful guide for colleges to develop their own schedules.
- Exam Registration: Option to register candidates for the exam
- Approve Registration: Option to approve the registration of candidates by the Principal
- Nominal roll: Option to view the Nominal roll of the exam
- Print hall ticket: Option to print the published hall tickets by the university
- Odd sem mark entry: Option to enter the marks of the candidates by the lecturer of each course. The marks contains

CCA				ESE	
Theory		Practical		Theory	Practical
Formative Assessment	Summative Assessment	Formative Assessment	Summative Assessment		

- Odd sem mark approve: Option to approve the entered marks by the HOD of each discipline
- Reports: Option to see various reports for the colleges
- Discipline assignment
- College Basket
- University Basket
- Course Registration List
- Exam Registration List
- QP distribution
- Semester Mark Register
- College Mark Entry status
- ERP (Tabulation Section)
- Date extension : Option to extend last date for entering College Basket
- Exam Schedule: Option to enter notification details
- Approve Exam: Option to approve the exam details by higher authority
- Exam Time Table: Option to see a draft of exam time table
- Option to set the exam commencing date for each course
- Option to Print the exam time table after entering dates
- Approve Exam Time Table: Option to approve the exam time table by higher authorities
- Generate Hall ticket: Option to generate hall ticket of exam registered candidates
- Option to withhold hall ticket of exam registered candidates
- Publish hall ticket: Option to publish the generated hall tickets to the colleges
- Mark entry push down: Option to push down the approved marks into lecturer level to correct the marks by the college itself
- Tabulation Sheet: Option to generate tabulation sheet through which SGPA calculation is done.
- Result Republish: Option to publish the results of withheld candidates.
- Reports: Option to see various reports for the section discipline assignment

Preliminary work has commenced on developing a user-friendly Windows interface to facilitate the upload of student pass details from the tabulation software to the NAD repository for use by the NAD Cell. Testing of the software developed for processing FRP Lectures' salaries is ongoing, with identified errors being resolved and necessary modifications implemented. As part of the FYUGP process, CA/ESA mark print and consolidated print activities were successfully completed using the Windows interface. Efforts are underway to extend the date window for CA/ESE mark entry.

## 9. Question Bank API Development and FYUGP Screen Design

For the **Question Bank**, robust APIs were developed to efficiently manage data and ensure smooth integration between the frontend and backend. These APIs facilitate the retrieval and management of question bank data, enabling seamless interaction within the system.

For the **FYUGP Result Management System**, five key screens were designed:

**Result Statistics Screen:** Provides a clear overview of student result statistics, with filters for college-wise and programme-wise data.

**Result Marksheets Screen:** Designed to allow principals to view and manage student marksheets in a structured and organized manner. The programme-wise filter enables principals to access marksheets for all students within a specific programme, such as undergraduate courses.

**Student Marksheets Screen:** Allows students to enter their Candidate Code and Examination Name to view their individual marksheets.

**ESE Mark Entry Page:** Streamlines the process of entering ESE marks by faculty members.

**Consolidated Mark Entry Page:** A central interface that consolidates marks for students across different assessments, allowing for efficient input and verification.

## KERALA UNIVERSITY LIBRARY

Phone: 0471-2308844 [www.kulib.in](http://www.kulib.in)

E-mail: [keralauniversitylibrary@gmail.com](mailto:keralauniversitylibrary@gmail.com)

Kerala University Library serves as a resource hub for teaching, learning, and research for the academic community. It was established in 1942 and located near the Senate House Campus of the University. The library is open from 8 AM to 8 PM on all working days including second Saturdays, and from 2 PM to 8 PM on Sundays without any breaks. It holds approximately 400,000 academic books, a wide range of scholarly journals and general periodicals, and an extensive collection of electronic resources, including e-journals and e-books. These are housed within a multistory building covering an area of over one lakh square feet.

**University Librarian-in-charge:** Smt. Smitha M.R

### Vision and Mission

The library is having a clearly defined vision and mission statement for the strategic management processes for achieving the long term goals.

### Mission

To foster Research & Development and provide teaching and learning support to the academic community.

### Vision

- To transform the library into a potential knowledge resource centre with innovative technologies.
- As a centre of intense intellectual inquiry, the University Library shares with the University the aspiration to be the most dynamic learning environment in the world. In this desired future, the Library ensures that its collections remain forward-looking, diverse in breadth and form, open to browsing, and of world-renowned quality.
- Through promotion, the Library makes people aware of the resources available to them, and through innovation, it makes access to these resources easier.
- To serve future users, the Library preserves information across all formats and ensures effective storage and delivery systems.
- The Library's collaboration with expanding circles of partners yields unified access, broadening knowledge, and enhanced services.

### Working days

The Library works more than 340 days on an average, in a year.

### Working time

8 am to 8 pm on week days and 2 pm to 8 pm on Sundays. Library functions on all days including second Saturdays and Sundays, except on public holidays.

### Different sections of the Kerala University Library

#### 1.ACQUISITION SECTION

**Head: Smt. Anjana V S, Assistant Librarian Gr. I**

Acquisition section acquires and makes accessible resources necessary to enrich library collection. The aim of this section is to build up and maintain a collection that could meet the current and future needs of the users. The functions of this section include selection, ordering, receiving, processing of bills, accessioning and physical

processing of the newly acquired documents. Books received as gifts, bound volumes of periodicals, theses received from the university are also accessioned and processed here. Works relating to the books reported as lost are also processed here. Procured documents are transferred to the technical section after processing.

During the beginning of the financial year the section collects requests from the heads of the teaching departments of the university and principals of various affiliated colleges for the purchase of the documents. These requests are placed before the book selection committee, which is constituted every year by the university, for approval. The Librarian takes the initiative in selecting the books of general nature, updating existing collection, enriching reference collection and textbooks. Suggestions from the different service sections and the users of the library are also considered for selecting books. Teams of senior library professionals visit book exhibition of different firms for selection of documents. The selection of such documents are to be approved by an academic committee consisting of three Deans i.e., Deans of Faculty of science, Faculty of Arts and Faculty of social Sciences which is subsequently to be ratified by the Book Selection Committee.

A book selection committee was constituted by the university under the chairmanship of the Vice-Chancellor to purchase books for the university library, campus library and libraries of the study centres for the financial year 2023-2024. The committee constituted with the following members:

- 1 The Vice Chancellor (Chairman)

## 3. DOCUMENTATION & INFORMATION SERVICES SECTION

### Head: Smt. Manjusha M. R, Assistant Librarian Gr. I

The Documentation and Information Services Section has been established to deliver bibliographical and information services that cater to the increasing demands of research scholars and students within the university community. Acknowledging that a substantial amount of literature on Kerala is published in periodicals and journals, the section recognized the necessity for an indexing journal to facilitate the identification of this widely dispersed literature.

### 3.1 Publication of Kerala Index

The Kerala Index serves as a comprehensive index of articles related to Kerala, sourced from selected newspapers, popular magazines, and journals available in the library. This resource enhances accessibility to relevant information for users. To date, over 78,620 titles have been meticulously indexed and made available in the Kerala Index. This resource serves as a valuable tool for researchers and scholars interested in the diverse topics related to Kerala. The online version of Kerala Index database is regularly updated to ensure that users have access to the most current information and resources available. The online version can be accessed at <http://keralaindex.keralauniversity.ac.in>.

### 3.2 Compilation & Publication of Bibliographies

The Documentation Section has systematically organized the compilation of bibliographies on significant personalities and subjects at regular intervals. To date, it has published 28 bibliographies covering various topics, including a collection dedicated to Jnanpith Award winners in Malayalam literature. Notably, in 2024, a select bibliography titled “Madhavikutty Sahityasoochi” was prepared and published, further enriching the repository of literary resources.

There is a practice of maintaining news clippings related to the University Library. These newspaper clippings are preserved for future reference.

### 3.3 Exhibitions

Exhibitions are organized to commemorate significant events, including important historical dates, the birth centenaries and demises of prominent figures in Malayalam literature, as well as occasions related to Reading Week and National Library celebrations. These exhibitions typically last for one week and are designed to highlight the library's resources and engage users with relevant materials. This year, a total of seven exhibitions have been conducted.

- A Book Exhibition was held in commemoration of the 100th death anniversary of Mahakavi Kumaranasan, took place from January 17 to January 20, 2024. The exhibition aimed to pay homage to Kumaranasan, a renowned Indian poet, social reformer, and literary icon from Kerala.
- In connection with the International Women's Day celebration on March 8, a Book Exhibition was conducted from March 7 to March 16, 2024. Additionally, another exhibition was organized during the same period to honor Madhavikutty, an esteemed Indian poet and novelist, coinciding with the release of our new publication, “Madhavikutty Sahityasoochi.”
- In connection with Reading and Yoga Day, a Book Exhibition was conducted from June 19 to June 25, 2024. The exhibition featured a selection of books related to reading and yoga, serving as a valuable resource for raising awareness about these important topics among students and the research community.
- In connection with the National Library Week celebrations, three Book Exhibitions were conducted from November 14 to November 21, 2024. One of the exhibitions held during this period was dedicated to the esteemed Sri N.S. Madhavan, in recognition of his remarkable achievement in receiving the prestigious Ezhuthachan Puraskaram.
- A Book Exhibition was organized in conjunction with the recognition of Prof. M.K. Sanu for receiving the Kerala Jyothi Award in 2024, as well as to honor Sri Asokan Cheruvil, a noted litterateur and novelist in Malayalam literature, for winning the prestigious Vayalar Award in 2024.
- A Book Exhibition was organized from November 25 to November 30, 2024, in connection with the 75th anniversary celebrations of the Indian Constitution. The exhibition featured a diverse collection of books, journals, and newspaper articles related to the Constitution, the Preamble, Fundamental Rights, and Dr. B.R. Ambedkar.
- A book exhibition was organized from December 26, 2024, for one week to commemorate the passing of Shri M.T. Vasudevan Nair, Jnanpith Award winner, renowned scriptwriter, and one of the most celebrated writers in Malayalam literature.

### 3.4 Orientation Programmes

One of the most significant extension activities conducted was the orientation program for new library members. This initiative included an orientation class designed to provide a comprehensive introduction to the various sections and services available within the library. The program offered an overview of the library's collections, encompassing traditional resources, online databases, e-journals, and digital collections. Additionally, it included a guided tour of the library facilities, highlighting study spaces and special collections. This year, library provided orientation to approximately 700 new members, including students, researchers, and faculty from various university departments, institutions, and colleges. Specifically, orientation programs were conducted for around 500 students from different departments, 200 from various institutions, and additional participants from colleges.

## 4. INFORMATION TECHNOLOGY SECTION & E-RESOURCE CENTRE

**Head in-charge: Dr. Arunkumar V R, Assistant Librarian Gr.II**

The Information Technology Section of the Kerala University Library was established with the objective of providing IT enabled information services to the user community. This section is responsible for the development, management and maintenance of a flexible and reliable technology environment for promoting and advancing the

application of information and computing technologies in the library services. The primary function is applications of ICT for supporting access to and delivery of information to the clientele. Acquisition and management of digital collections and access tools, development and support of server-based technologies for the delivery of library services, maintenance and updating of online library catalogues etc are the other important responsibilities of this section.

The IT section supports Online Public Access Catalogue (OPAC), RFID enabled services, indexing services, virtual reference services bibliographic services, indexing services, research support services, current awareness services, document delivery, interlibrary loan, orientation programmes, reprographic services, customer relations etc.. New tools for dissemination of information and shift from physical to virtual services, emergence of innovative web based storing, processing, retrieving and dissemination of information with high speed and accuracy attracted more users to get membership in the library. We are now able to provide a wide variety of electronic resources, such as e-journals, e-books, and databases, to meet the day-to-day academic and research requirements of library users. As a result, the level of user satisfaction has been increasing.

This section offers Wi-Fi connectivity, enabling access to all electronic resources available through our IP. Additionally, we provide users with a remote access facility to access our E-resources.

The IT section is responsible for uploading PhD theses submitted by scholars of Kerala University to Shodhganga, the repository of PhD theses submitted to the universities in India that is hosted and maintained by UGC INFLIBNET Centre, to root out plagiarism and to share the knowledge. Already 7,703 Ph.D theses were uploaded and the uploading of remaining theses is in progress.

I.T. Section is coordinating the plagiarism checking process of the University by providing facilities and assistance to the teaching departments/faculties of the University. DrillBit software is being used for checking plagiarism in Ph.D theses submitted to the University. Also Plagiarism checking service is given to the users of the library by using iThenticate software.

The Kerala University Library E-Resource Centre is participating with the e- ShodhSindu, the consortia initiative by INFLIBNET to provide access to qualitative electronic resources including full-text, bibliographic and factual databases. More than 14,000 electronic journals and 12 databases are available in the consortia. In addition, the library is subscribing to many useful e- journal and e-book platforms like IOP Science, Library and Information Science Abstract (LISA), Indianjournals.com, EPWRF India Time Series, NotNul, the leading E-resource platform for Hindi literature, Wiley E-Journals, Cambridge digital books, Oxford Scholarship online, The New York Times online etc., using its own fund. Kerala University is getting access to Science Direct, Scopus and Knimbus through the consortia of Kerala State Higher Education Council.

All sections of the library are being inter-connected through Local Area Network. Wi-Fi facility is enabled in the library campus. The library website is ([www.kulib.in](http://www.kulib.in)) which is used for meeting the demand put on it for getting 24/7 access to the resources, is also maintained by this section. The Online Public Access Catalogue (OPAC) and Web enabled Online Public Access Catalogue (WEBOPAC) -the electronic version of the traditional catalogue-maintained by this section, which enables people from any part of world to search the library database through Internet. The entire library housekeeping operations are carried out by open source integrated library management software Koha. The IT section is also responsible for the maintenance and updating of databases of books, theses, back volumes of periodicals etc. The users can access our e-resources through our library website ([www.kulib.in](http://www.kulib.in)) and the library websites are consistently updated with the latest information and access links for e-resources.

The Information and Communication Technology (ICT) section of the Kerala University Library plays a vital role in modernizing and improving the efficiency of library services. Here are some of its key features

- **Digital Resources Management:** Responsible for managing digital resources such as e-books, online journals, databases, and other electronic materials. This ensures that students and researchers have access to a wide range of scholarly information.
- **Library Automation:** helps in automating library processes, including cataloging, circulation, and inventory management. This automation reduces manual work, minimizes errors, and improves the speed and accuracy of library services.
- **Online Catalogs and Search Systems:** Develops and maintains online catalogs and search systems, making it easier for library users to locate and access resources. Users can search for materials from anywhere, promoting convenience and accessibility.
- **E-Learning Support:** With the integration of ICT, libraries can support e-learning initiatives by providing access to educational resources, multimedia content, and collaborative tools.

- Information Retrieval and Database Management: Manage and organize databases, making information retrieval more efficient. This includes creating and maintaining databases of research articles, theses, and other academic materials.
- Digital Preservation: Responsible for implementing strategies for the preservation of digital materials in the long term. This ensures that valuable academic resources are archived and remain accessible for future generations.
- Network Infrastructure: Building and maintaining a robust network infrastructure is essential for providing reliable and high-speed internet access within the library. This facilitates online research, collaboration, and access to digital resources.
- User Training and Support: Plays a role in training library users on how to effectively utilize digital resources and navigate online catalogs. This support is essential for maximizing the benefits of available technologies.
- Integration of Emerging Technologies: Responsible for staying abreast of emerging technologies and incorporating them into library services.
- Data Security and Privacy: As libraries handle a vast amount of sensitive information, the ICT section is crucial for ensuring data security and protecting user privacy. This involves implementing security measures and compliance with data protection regulations.

#### **4.1 Innovative IT enabled services during the reporting period**

##### **i      Institutional Repository**

As part of the Theses Digitization project, the library established an institutional repository to manage the academic digital resources of the teaching departments. ## 5. KERALA REFERENCE SECTION

### Head : Sri. Gopikuttan Nair M, Assistant Librarian Gr. I

Kerala Reference section was initiated during 1973, primarily for fostering research in the field of history, science, medicine, art, culture, heritage, language, literature, economy and politics of Kerala. The document collection includes books, back volumes of prominent Malayalam periodicals, gazettes, census reports and technical reports. 'Hortus Malabaricus', a comprehensive treatise in 12 volumes in Latin that deals with the medicinal properties of the flora in the Indian state of Kerala is also an added attraction. Its translations in English and Malayalam are also available here. The section houses most of the works of the eminent writers in Malayalam. Translations of prominent writers in other languages including foreign, in Malayalam are also available in the collection. Besides Malayalam literature, books on Ayurveda, Religion, Philosophy, Anthropology, Culture, Education, Art and Architecture of Kerala are also included.

The section has a comprehensive and specialized collection of rare and old documents even from 18<sup>th</sup> century onwards, which are not available elsewhere. Rare documents such as 'Kristhyanikal ariyendum samkshepavedarthatam'; the first printed book in Malayalam published in 1772; 'Kasiyatra rappotta', an old travelogue (1872), 'Varthamana pusthakam' vol.1 (1936), the Census of Travancore 1891-1951; Acts and proclamation of Travancore ; Report on the Administration of Travancore from 1866 onwards are available in the section. The collection also includes some of the old Malayalam and English journals of the 19<sup>th</sup> and early 20<sup>th</sup> centuries. Most of these rare documents have been digitized and kept in the digital archive.

The rare documents are scanned, edited, indexed and uploaded in the archive using the DSpace software which could be effectively retrieved by using the keywords contained in the documents. Kerala University Library Knowledge Repository, an exclusive digital library service in DSpace platform is also provided by the section. Separate terminals are provided to the users to search the digital archive and knowledge repository. The users of the archive constitute not only the research scholars and faculty of this university but scholars from India and even from abroad. A nominal charge of Rs.2 per page for print outs and Rs.1 per page for copying in CDs is collected from its users. Kerala Reference section is providing personalized information dissemination services, data searching services, support for constructing research bibliographies using online Kerala Index database etc since most of the scholars approach the section with specific subject requirements.

Various programmes were organized at the Kerala Studies Section on November 1, 2024 as part of the Kerala Piravi Celebrations under the auspices of the Kerala University Library. The event's inauguration was graced by Sri Ajay D.N., a Syndicate Member of the University of Kerala. Sri Pradeep Panangad, a distinguished writer and critic, delivered an insightful keynote address, adding depth to the occasion. The festivities featured a rich variety of cultural programs inspired by 'Keraleeyam,' including captivating performances of folk songs and dances. Students from different colleges and departments showcased their talents, making the celebration lively and culturally enriching.

The section also houses the collections donated by Dr. K.M. George and Sooranadu Kunjan Pillai which are constantly used by the researchers. In 2024, 173 books and 37 Bound volumes of periodicals were added to the collection.

#### 9. RESEARCH SECTION

##### Head: Smt. Thara Krishnan M, Assistant Librarian Gr.I

The Kerala University Library & Research Centre is the largest research-supporting centre for researchers at the University of Kerala. The centre provides research facilities to teaching faculty and both full-time and part-time research scholars in government and aided colleges in Kerala. Since 2011, this facility has also been extended to foreign students of the University. Currently the centre has 10 full-time and 303 part-time research Scholars.

This section houses a vast collection of Ph.D. theses across all disciplines awarded by the University of Kerala. The Ph.D. theses collection is maintained in a separate hall under the supervision of eminent library professionals and remains open on all working days, including the second Saturday, from 10:15 AM to 5:15 PM. Although exclusively meant for research scholars and teaching faculty of the University of Kerala, the section warmly welcomes scholars and faculty from other universities to access its invaluable collection.

In the current year, the centre received 488 theses, bringing its total collection to 9,939 theses. The section also provides an up-to-date subject catalogue, author catalogue, OPAC (Online Public Access Catalogue), and soft copies of the awarded Ph.D. theses, all for the convenience of the research scholars. More than 2,000 scholars visited the section for their research needs in 2024. Research services related to the submission and pre-submission of theses, changes of research centre, guide changes, and other administrative requirements are also provided by the section.

The Kerala University Library is an integral part of the Shodhganga project, the digital repository of electronic theses managed by INFLIBNET. Soft copies of Ph.D. theses received by the centre are verified, edited, uploaded to the Shodhganga repository, and made available to users for remote access. In 2024, a total of 1,159 theses were uploaded to Shodhganga. This open-access platform currently hosts about 7,703 theses submitted to the University of Kerala, serving its scholarly community effectively.

#### 10. TECHNICAL SECTION

##### Head: Dr. Jayasree S., Assistant Librarian Gr. I

This section is mainly concerned with the classification, cataloguing and other technical processes relating to books, Ph.D. thesis, bound volumes of periodicals etc. Updating the OPAC, preparing catalogue cards, creating chronology index, maintaining records of missing books etc. are carried out in the Technical Section.

## KERALA UNIVERSITY CAMPUS LIBRARY, KARIAVATTOM

The Kerala University Campus Library, Kariavattom, established in 1978, functions as the hub of knowledge dissemination, a bastion of academic excellence and cultural richness, serving as the intellectual nucleus of the esteemed university campus. University Campus Library, being the common centre of higher learning of all the Departments in the Kariavattom Campus, has hosted a wide range of readers during the year 2024. The important services provided by the Campus Library attract a large number of students to the Library. It functions as a Reference library in an area of 30000 sq. ft. in a majestic building of four floors with a beautiful garden in the front.

### 1. Working hours

The operating hours of our Campus library extend from 8 am to 12 midnight, and functions in 3 shifts, catering to the needs of students, research scholars, international students, faculty, staff and all library users. As a Reference Library, the flexible hours underscore our dedication to providing a conducive space for academic excellence and research activities.

### 2. Wi-Fi connectivity

The Campus Library provides free Wi-Fi access to enhance accessibility to online resources, facilitating research, and allowing seamless integration of technology into the academic environment. In addition to this, Campus Library also provides K Fi- Kerala government Wi-Fi.

### 3. Information Technology section and E-Learning Centre

The library has a separate IT lab section with 30 computers for accessing the internet and e-resources provided by the University Library. E-resources play a pivotal role in university libraries by offering quick and convenient access to a vast array of scholarly materials. The University Campus Library is also a part of the campus-wide computer network of the University. Electronic resources include the E-SodhSindhu Consortium provided by INFLIBNET, along with various bibliographic databases, full-text e-journals, and selected e-books from prominent publishers subscribed by the library. The importance of e-resources lies in their ability to provide a dynamic and adaptable platform, encouraging more efficient educational environment. All the e-journals and e-books procured through the Kerala University Library were made available in the campus library and Kariavattom campus. Through the e-ShodhSindhu Consortium of INFLIBNET, UGC provides current and archival access to more than 13000 e-journals. Campus Library also renewed its subscription to IEEE Online during 2024. Plagiarism detection tools and a language editing tool are provided to support the academic community. Access to these electronic resources is via IP Address authentication, accessible through the campus-wide computer network. Non-library members can also access these services with the librarian’s approval.

### 4. Plagiarism Checking Software

Campus Library IT section provides plagiarism-checking services using iThenticate software. By utilising these tools, universities ensure the originality of student and researcher submissions, upholding quality and credibility of scholarly work. This helps in educating individuals about proper citation practices, promoting a commitment to intellectual integrity and ethical research conduct. During the year 2024 the Campus Library has made 773 document uploads using iThenticate software. 1442 users have utilised the services of Digital Resource Lab 2.

### 5. Periodical Section

The Campus Library periodical section provides a diverse and up-to-date collection of academic journals, magazines, and periodicals, catering to the research and informational needs of students and faculty across various disciplines. During the year, 128 periodicals were procured in different subjects. Out of these, 68 journals are

subject journals, 60 popular magazines and 50 journals were received as gifts. A total of 20 newspapers in three languages, i.e., Malayalam, English and Tamil, were also subscribed.

#### **6. Acquisition Section**

As a Reference Library, we mostly acquire rare and costly books, adding to the unique and valuable resources, useful for students and researchers with specialised interests.

**Book selection:-** The selection of books is made on the basis of recommendations received from various departments of the University with the approval of the Book selection committee. Suggestions from students, researchers and other users are also considered during book selection. During the year 2024, 700 titles were added to the collection. 37 books were received as gifts.

#### **7. Reference section**

We have a separate section for Reference books housed on the third floor. This section offers a curated collection of encyclopaedias, dictionaries, atlases, bound volumes of journals and other reference materials, facilitating efficient research while promoting a conducive environment for learning and exploration within the library. A very spacious, calm and quiet reading area has been maintained here for the students and research scholars and most of the users use this facility till 12 midnight.

#### **8. Puzzle Library**

There is a user-friendly space on the third floor where students and faculty can access a diverse collection of puzzles, games, and brain teasers. This section serves as a recreational and educational resource that promote critical thinking, problem-solving skills, and cognitive development. There are 766 collections of puzzles in the section.

#### **10. Maintenance Section**

The Campus library Maintenance section stacks are arranged in the first-floor. Wide collection of books in different subjects are arranged according to DDC. Routine works like shelf rectification, book replacement, and preservation of books, binding, etc., are done properly. A list of 131 damaged books has been prepared for binding, and it is under process. Sign boards have been placed on all the shelves to locate the books in different subject areas.

#### **11. Technical Section**

The technical section plays a vital role in the functioning of the library. It makes a bridge between the acquisition of the documents and their arrangement on the shelf. The technical section is responsible for the processing of new books. The library uses the Dewey Decimal Classification (23<sup>rd</sup>.Edition) to classify all the newly acquired books. An open-source Integrated Library software, KOHA, is used for library management and automation. All works like classification, cataloguing, data entry, preparation of spine labels, etc., are done in this section using KOHA Open-Source Software.

**OPAC** (Online Public Access Catalogue) Through the OPAC facility, library users can easily search and access the library's collections, enabling them to locate books and other resources without physically being in the library. Two computer systems are available in the ground floor and first floor for availing the OPAC facility to the users.

**WebOPAC:** With the web-based interface of WebOPAC, users can access the catalogue remotely from anywhere, at any time, making it easier to discover and locate resources without being constrained by the library's physical operating hours.

#### **12. Reprographic Service**

The Campus Library provides a reprographic facility, allowing users to make copies of documents and materials at the cost of 50 paise per copy. The print-out facility is provided to the users at the cost of Rs.1 per page. This service enhances accessibility to academic resources, enabling students and researchers to conveniently obtain duplicates of essential materials for their studies and research at an affordable rate.

**13. Property Counter**

The Campus Library has implemented an efficient property counter system with a token mechanism, ensuring organised and secure handling of personal belongings, with dedicated security personnel and casual labourers overseeing the property counter.

**14. Internship Programme**

The campus library offers a short-term internship of 10 or 15 days to students from various external colleges and institutions, providing hands-on experience in library operations. Participating institutions must pay a Rs.2,000 consultation fee, while CACEE students pay Rs.1,000. The fee supports the library's resources and facilities. This program aims to enhance students' practical knowledge and skills in a professional setting and provides valuable exposure to library management and operations.

**15. Outside Users Membership**

Campus Library has provided temporary membership for outside users at a rate fixed by university and 87 such memberships were given in 2024, thereby extending its services to research scholars and students outside the campus.

**16. Development Activities**

As a part of basic infrastructure development, the Campus Library started enabling lift facility within the library, which has further added convenience and doubled user-friendliness in the library.

**17. Security :** Service of the security staff is available throughout the working hours of the Campus Library. ie,8 AM to 12 PM midnight

**18. Innovative Projects - Tablet Lending Services for E-Resource Reference in the Library**

## SCHEME ON STUDY ON COST OF CULTIVATION OF PRINCIPAL CROPS IN KERALA.

**Est:1970**

(Cost of Cultivation Scheme is Successfully functioning from 1970 attached to Dept. of Economics, University of Kerala with 100% financial and technical support from Directorate of Economics & Statistics, Ministry of Agriculture & Farmer's Welfare, Govt. of India, New Delhi. )

Honorary Director ( HOD, Dept.of Economics) : **(Prof.) Dr. Sheeja.S.R**

Field Officer : Smt. Indulekha. P.T

I. Technical Staff : 30

II. Administrative Staff : 2

### **COMMONACTIVITIES**

The cost of cultivation surveys are an important mechanism for data generation on the cost structure of crops. These are very intensive surveys wherein data are collected on various inputs which are used for the cultivation of crops. The data collection approach in these surveys is inquiry- based which implies that the information on the input use is obtained by inquiry of the farmer practices. Collection and submission of data under these surveys are generally carried out in multiple rounds. In our state, 30 sample tehsils ( two villages from each tehsil) are allotted for the Study on Cost of Cultivation of Principal Crops in Kerala. Under this Scheme, vital data on cost of cultivation/ production of major crops in Kerala are collected based on cost accounting method by posting fulltime Economic Investigators. From each selected tehsil two villages are selected and from each village six sample cultivators are selected. Hence 12 sample cultivators from each tehsil are selected from 3 different farmer Selection of tehsils & villages for each block period is done by multi stage sampling (current block period is 2023-26 with the crop complex-paddy, coconut, sesamum & groundnut). From each tehsil 12 cultivators are randomly selected - two villages from each tehsil and six cultivators from each village- (hence a total of 360 farmers) from 3 different farmer size groups and these farmers are visited repeatedly by the Economic Investigators for collecting data on usage of various input items during different stages of crop cultivation. These data are verified at different levels and then submitted to the Directorate of Economics & Statistics, Ministry of Agriculture& Farmers Welfare, and Government of India through Web-Based System for generating cost estimates. These estimates are used for framing the government's agricultural price policy. These are also used by the Commission for Agricultural Costs & Prices (CACP) for fixing Minimum Support Prices (MSPs) of crops. These estimates and related statistics are also used for a wide variety of other important purposes like compilation of National Accounts Statistics, computation of Wholesale Price Indices, research studies on the cost of cultivation and farm income etc.

### **Details of Release of Fund during April 2024-December2024**

Grant in Aid(GIA) for the functioning of the Scheme will be released in 4 Installments. During the financial year 2024-25, 3 installments have been released up to December 2024. GIA released from April 2024 to Dec.2024 is - Rs.3.45 Cr.

### **Details of workshops/ trainings organized/attended by the Scheme in 2024 .**

1. Three day technical workshop from 16<sup>th</sup> to 18<sup>th</sup> April 2024 was conducted for the field staff. During this workshop various technical matters related data entry, data submission, KPS(KisanParipreksha Survey) data entry etc were discussed.
2. 5 Officers from CCS, Kerala attended the two day National workshop held at PJTSAU, Hyderabad during 22<sup>nd</sup>&23<sup>rd</sup> of August 2024 and the Field Officer made a presentation on technical and administrative issues of CS Scheme Kerala.
3. During the visit of Delhi officials, an one day field staff meeting was conducted on 12-11-2024 for discussing various matters related to marking attendance through CCS in Tracker, Data submission etc. other about the new methodology introduced by DES and also to distribute Record Types(RTs), RR Books for the year 2023-24.

Apart from this, 4 online meetings, the centre conducted for updating technical matters regarding FARMAPM software.

**CENTRE FOR WOMEN'S STUDIES**

Conducted the following programmes in the Centre during the year 2024.

- Panel discussion on “**Unlearning Gender: Perspectives beyond the binary**” on 5<sup>th</sup> January 2024.
- Workshop on ‘**Fostering Business Skills: Training Kudumbashree Women for Entrepreneurial Success**’ conducted in association with Pothencode Panchayat, Trivandrum from 23<sup>rd</sup> to 25<sup>th</sup> January 2024.
- Talk on ‘**Transgender Representation in Cyberspace**’ in collaboration with the Kerala University Department’s Union and Researchers’ Union 16<sup>th</sup> February 2024.
- National Level lecture on **Gender Gap in Work Participation of Women in India’s Economy** July 23, 2024.
- National level lecture on **LGBTQI+ Rights in India: Legal Milestones, Social Movements and Ongoing Challenges** September 3 2024
- National level lecture on **Gender and Age Intersectionality: A Critical Analysis** October 15, 2024
- National level Lecture on **Gender Inequalities at the Elite IITs: An Exploration** November 8 2024

**TRANSLATION RESEARCH AND INNOVATION CENTRE (TRIC-KU)**

The activities of TRIC-KU for the 2024 calendar year are listed below.

- 1 Steps have been taken to establish 3 buildings in collaboration with KIIFB, namely
  - (i) Innovation Block,
  - (ii) Industrial Area, and
  - (iii) Animal Research Facility. Steps are in progress to establish the fourth building, Translational Research Laboratory, under the PM-USHA project.
- 2 Ten patents have been retained and 12 patents have been filed in the fields of life sciences, materials sciences, commerce, and geology. The process of filing six more patents is in progress.
- 3 The Geology Department has developed an Internet-based mobile application (SLIP - K) for landslide prediction. It has been patented through TRIC-KU and submitted to the Government of Kerala as a policy document on 20/08/2024 in the presence of Dr. R. Bindu, Minister for Higher Education and Social Welfare.
- 4 Faculties are encouraged to develop the research outcomes derived from various research in a way that is beneficial to the general public. Such activities are being actively carried out in the fields of Material Science, Life Science, Social Science and Commerce. In order to promote the above activities, as per the order U.O 10463/2024/UOK dated 12/12/2024, Start-up/seed money grant of Rs. 2.5 lakhs per project has been sanctioned for 2 Life Science projects and 2 Material Science projects. The activities relating to these projects are in progress.

5 The University has prepared and sanctioned funds for the following research projects. The works related to these are in progress.

- Gut and Brain Axis – Research Awareness Programmes in association with K-DISC.
- Grant Support for TRIC to promote creativity
- Waste to Wealth Project related to production of biofertilizers from black leaves
- Skilled Training Programmes & Faculty development programmes in collaboration with ASAP for skill development.

6 In order to develop entrepreneurship among students and strengthen industry-academic cooperation, the Kerala Government's Campus Industrial Park Scheme, which aims to release unused land in higher educational institutions in the state for industrial purposes and to start industrial parks in those places, we have prepared a proposal for implementation of the scheme at the University of Kerala and presented it before the Syndicate members. The said proposal is currently under consideration by the University.
