FOR PRESS RELEASE

The walk-in interview for the temporary position of **Field Investigator** under the University of Kerala's PM-USHA Sustainable Development Initiative project entitled "**Integrative Mapping and Biomedical Validation of Tribal Health and Healing Systems: A One Health and Personalized Medicine Approach**," originally scheduled for **05 August 2026**, has been postponed and rescheduled to **15 September 2026 at 10.00 a.m.**

Candidates possessing a Master's Degree in Life Sciences, including Zoology, Botany, Biology, or allied disciplines, are eligible to attend the interview.

The selected candidates will be involved in field-based documentation and digital mapping of tribal health and healing practices, ethnobiological resources, traditional formulations, dietary habits, indigenous diagnostic practices, and community-based health knowledge. The project aims to integrate traditional tribal healthcare knowledge with contemporary biomedical research, personalized medicine, and the One Health framework.

Interested candidates are requested to report for the walk-in interview at the **Department of Zoology, University of Kerala, Kariavattom Campus, Thiruvananthapuram**, on **15 September 2026 at 10.00 a.m.**, with their biodata, original certificates, proof of qualifications, and copies of all relevant documents.
