Item No.27.281.01.01 Allegations of malpractice in the university examinations against all the candidates called for the hearing before the Standing Committee of the Syndicate on Students' Discipline, along with the corresponding findings, observations and recommendations made by the Committee against these candidates - reg.

Seventy Eight (78) candidates were called for the personal hearing before the Standing Committee of the Syndicate on Students' Discipline in connection with the allegations of malpractice in the University Examinations. Out of them, **sixty six (66)** candidates appeared for the hearing. Certain matters related to the suspicion of malpractice having occurred during the examinations as suspected by the examiner/s during the valuation of the answer scripts in the examination valuation camps, and, the corresponding suspected candidates being called for the personal hearing before the Standing Committee of the Syndicate on Students' Discipline, are as mentioned below:

A)For the same examination, usually the candidates alleged of malpractice and reported from the examination halls are reported well ahead of the candidates alleged and reported from the valuation camps/revaluation on suspicion of malpractice, wherein the valuation/revaluation is conducted later after the conclusion of the examinations,

REGISTRAR (I/C)

VICE-CHANCELLOR

B) Normally, the candidates alleged of malpractice are called for the personal hearings before the Standing Committee of the Syndicate on Students' Discipline, based on the chronological order in which the corresponding files related to the alleged malpractice of each such candidate is received in the Students Discipline Cell (SDC). Therefore the candidates reported from the examination hall are incidentally called for the personal hearing well ahead of the candidates reported from the valuation camps/revaluation, although both malpractice allegations may pertain to the same examination,

C) This causes considerable delay in taking decisions on the allegations of suspected malpractice of candidates that are reported from the valuation camps/revaluation, as compared to the allegations of malpractice of candidates reported from the examination hall, although both kind of allegations may pertain to the same examination,

D) Moreover majority of the candidates alleged of malpractice from the examination halls are reported with sufficient evidence like possession of handwritten manuscripts, photostat copies, printed material from the textbooks/guides, etc. of having committed the malpractice. On the contrary, many of the suspected malpractice allegations raised from the valuation camps like discrepancy noted in handwriting in answer scripts of candidates, etc., are without sufficient evidence as mentioned above and are based on the suspicion of the examiner/s during the valuation of the answer scripts. The guilt on the part of such candidates alleged of suspected malpractice from the valuation camps/revaluation need to be further established or exonerated based on the personal hearing of such candidates and further verification,

E) Hence a delay in the personal hearing of those candidates alleged of suspected malpractice from the valuation camps/revaluation and later if exonerated, can hamper their chances of appearing for further examinations even though sufficient evidence as mentioned above may not be available pertaining to the allegations,

F) Also the candidates alleged of malpractice from the examination hall are well aware of their malpractice issue, however, the candidates alleged of suspicion of malpractice from the valuation camps/revaluation come to know about such an issue, only on receipt of the communication for personal hearing or if at all communicated from the concerned tabulation section, and hence liable to appear for subsequent examinations before being withheld from the same,

G). Hence certain candidates namely Arya R-Register Number 14023129004, Sooraj D-Candidate Code 23963019, Vyshnav A S-Candidate Code 23963020, Arjun Sree-Candidate Code 22963002, Aromal Sudheer S-Candidate Code 22963003, Arun M-Candidate Code 22963004, Sino Thomas Tharakan-Candidate Code 22963024, Amjath N-Candidate Code 22963001, Nandukrishna K-Candidate Code 22963018, Pranav P-Candidate Code 22151040, Raniya S-Candidate Code 22151041, Ajantha Renuka S A-Candidate Code 47121551007, Chandni R Nair-Candidate Code 47323550043 who are alleged of suspected malpractice from the valuation camps have been called for the personal hearing before the Committee, overlooking the order of reporting to the Students Discipline Cell (SDC).

The details of the malpractice allegations against all the above mentioned candidates are given in the tables (I) to (X) given below. The corresponding observations, findings and recommendations of the Standing Committee of the Syndicate on Students' Discipline are given after each of the said tables. **The short titles used in the starting of each of the above mentioned tables shall mean as described below in points (a) to (h):**

Call/Earl. call if any spcfd.)** – File number in Students Discipline Cell or SDC related to the allegations of malpractice in the University Examination/s (*Subsequent call for hearing for the candidate/s who remained absent for the first call for hearing, if any, is specified, as well as earlier calls for hearing wherein candidate was detected of malpractice in any other University Examination/s is also specified*),

The candidates Sooraj D and Vyshnav A S were present for the personal hearing before the Standing Committee of the Syndicate on Students' Discipline and were heard by the Committee. The candidates submitted written statements before the committee. Both the candidates denied having resorted to any kind of malpractice as alleged. The Committee verified the answer scripts of these candidates, however much similarities could not be found either in the sequence of answering of the questions or the answers written as alleged, except some similarities. The Committee also considered the reports and documents pertaining to the allegations of malpractice in the University Examinations against the candidates.

Recommendations of the Committee:

After considering all the above aspects, the Committee felt doubtful if there is sufficient evidence or reason in the allegations to affirm that the candidates Sooraj D and Vyshnav A S mentioned in the table (IV) above have resorted to malpractice. Therefore the Committee felt that the benefit of doubt may be implied, and, hence made the below mentioned recommendations:

- i) to exonerate the candidates from the allegations of suspected malpractice and to value their answer scripts and publish the results of all examinations appeared by them, that may have been withheld owing to the said issue of suspected malpractice allegations against them, and,
- ii) to grant refund of the Malpractice Enquiry Fee remitted by these candidates for the personal hearing, as per applicable rules.

Item No.27.281.02.01 Allegations of malpractice in the university examinations against all the candidates called for the hearing before the Standing Committee of the

Syndicate on Students' Discipline, along with the corresponding findings, observations and recommendations made by the Committee against these candidates - reg.

Fifty Seven (57) candidates were called for the personal hearing before the Standing Committee of the Syndicate on Students' Discipline in connection with the allegations of malpractice in the University Examinations. Apart from the said 57 candidates, three (3) candidates who were called for the personal hearing on 17.11.2025 but were not allowed to attend the same as they appeared in the absence of their respective parents, also appeared for the hearing on this day with their parents, and, based on their request were permitted by the Committee to attend the hearing. These 3 candidates are Akash S (Register Number 15922126062), Adarsh S. (Register Number 15023104008) and Al Ameen A. (Register Number 23522116010). Further the Vice-Chancellor exercising his powers under section 10(13) of the Kerala University Act, 1974, approved certain recommendations under the item number 1 of the minutes of the meeting of the Standing Committee of the Syndicate on Students' Discipline held on 29.09.2025. Accordingly a candidate Nandhu E S (Candidate Code 41522404119) was additionally called for the hearing on this day and he appeared for the same. Therefore the total number of candidates included for the hearing became **sixty one (61)**. Out of the said **sixty one (61) candidates, Fifty Eight (58)** appeared for the hearing.

Certain matters related to the suspicion of malpractice having occurred during the examinations as suspected by the examiner/s during the valuation of the answer scripts in the examination valuation camps, and, the corresponding suspected candidates being called for the personal hearing before the Standing Committee of the Syndicate on Students' Discipline, are as mentioned below:

A) For the same examination, usually the candidates alleged of malpractice and reported from the examination halls are reported well ahead of the candidates alleged and reported from the valuation camps/revaluation on suspicion of malpractice, wherein the valuation/revaluation is conducted later after the conclusion of the examinations,

B) Normally, the candidates alleged of malpractice are called for the personal hearings before the Standing Committee of the Syndicate on Students' Discipline, based on the chronological order in which the corresponding files related to the alleged malpractice of each such candidate is received in the Students Discipline Cell (SDC). Therefore the candidates reported from the examination hall are incidentally called for the personal hearing well ahead of the candidates reported from the valuation camps/revaluation, although both malpractice allegations may pertain to the same examination,

C) This causes considerable delay in taking decisions on the allegations of suspected malpractice of candidates that are reported from the valuation camps/revaluation, as compared to the allegations of malpractice of candidates reported from the examination hall, although both kind of allegations may pertain to the same examination,

D) Moreover majority of the candidates alleged of malpractice from the examination halls are reported with sufficient evidence like possession of handwritten manuscripts, photostat copies, printed material from the textbooks/guides, etc. of having committed the malpractice. On the contrary, many of the suspected malpractice allegations raised from the valuation camps like discrepancy noted in handwriting in answer scripts of candidates, etc., are without sufficient evidence as mentioned above and are based on the suspicion of the examiner/s during the valuation of the answer scripts. The guilt on the part of such candidates alleged of suspected malpractice from the valuation camps/revaluation need to be further established or exonerated based on the personal hearing of such candidates and further verification,

E) Hence a delay in the personal hearing of those candidates alleged of suspected malpractice from the valuation camps/revaluation and later if exonerated, can hamper their chances of appearing for further examinations even though sufficient evidence as mentioned above may not be available pertaining to the allegations,

F) Also the candidates alleged of malpractice from the examination hall are well aware of their malpractice issue, however, the candidates alleged of suspicion of malpractice from the valuation camps/revaluation come to know about such an issue, only on receipt of the communication for personal hearing or if at all communicated from the concerned tabulation section, and hence liable to appear for subsequent examinations before being withheld from the same,

G). Hence certain candidates namely Arya R-Register Number 14023129004, Sooraj D-Candidate Code 23963019, Vyshnav A S-Candidate Code 23963020, Arjun Sree-Candidate Code 22963002,

Aromal Sudheer S-Candidate Code 22963003, Arun M-Candidate Code 22963004, Sino Thomas Tharakan-Candidate Code 22963024, Amjath N-Candidate Code 22963001, Nandukrishna K-Candidate Code 22963018, Pranav P-Candidate Code 22151040, Raniya S-Candidate Code 22151041, Ajantha Renuka S A-Candidate Code 47121551007, Chandni R Nair-Candidate Code 47323550043 who are alleged of suspected malpractice from the valuation camps have been called for the personal hearing before the Committee, overlooking the order of reporting to the Students Discipline Cell (SDC).

The details of the malpractice allegations against all the above mentioned candidates are given in the tables (I) to (VI) given below. The corresponding observations, findings and recommendations of the Standing Committee of the Syndicate on Students' Discipline are given after each of the said tables. **The short titles used in the starting of each of the above mentioned tables shall mean as described below in points (a) to (h):**

Item No.27.285.08 Combined rules for the allotment of residential Quarters at Kariavattom – U.O Modification -reg.

(Ad. B II)

The allotment process for the residential quarters at Kariavattom campus are regulated as per the combined rules issued vide U.O.No:AdBII/1/10673/09/2018 dated 01.10.2018. However, the Joint Registrar (Campus Administration) offered remarks pointing out lack of clarity in certain clauses of the aforesaid U.O and contradictions in other clauses of the U.O. On verification of the U.O with that of G.O.(MS) No.11/2006/PWD dated 28.02.2006 regarding revised rules for allotment and occupation of quarters with respect to Government Servants, it has been noted that, certain clause of the aforesaid U.O needs to be modified as detailed below:

1. Clause 1- Incorporation of word apartment

Clause 1 of the existing U.O states that, "The Residential Quarters at the University Campus, Kariavattom shall be allotted only to the University teachers and to the regular employees of the University irrespective of their place of duty".

However, as per U.O.No.Ad. B II/2748/2024/UOK dated 25.03.2024, one block of newly constructed apartment has been allotted to teaching staff and another block has been allotted to non-teaching staff.

Hence, The word 'Apartment' may be incorporated under the clause 1 of the aforesaid U.O.

II). Clause 2-Eligibility

Clause 2 of the existing U.O states that, "University employees/teachers living with their families alone shall be allotted and permitted to occupy the quarters".

Clause 10 states that "Quarters shall not be allotted to those who have their own house within a radius of 15 km from the place of duty. If an allottee is subsequently found to have secured allotment withholding such information, action shall be taken to evict him and he shall also be liable for disciplinary action under the rules concerned"

On verification of these clause with that of clause 4 (a) of G.O (MS)No.11/2006/PWD dated 28.02.2006 regarding eligibility criteria of quarters, certain points may be also be incorporated in this U.O for obtaining clarity on the eligibility criteria for quarters.

Hence, Clause 10 of the aforesaid U.O and clause 4 (a) iii- v of the G.O may be incorporated under clause 2 and Clause 2 of the aforesaid U.O may be modified as follows:

2.Eligibility

2.1."University employees/teachers shall be allotted and permitted to occupy the quarters".

2.2 Quarters shall be allotted only to those officers who do not have residential buildings within their Headquarters, cities or towns or within a radius of 15 kilometers from their offices, either in their own names or in the names of their husbands or wives as the case may be, or in the names of their unmarried sons or daughters whether inherited or purchased or obtained otherwise, including that

under any hire purchase scheme.

2.3 Non-availability of own accommodation facilities shall be clearly and specifically stated in the relevant columns in the application for allotment of quarters. In case it is subsequently detected that the statement in the application form in this regard is not true to facts, the allottee shall be liable to pay from the date of occupation of the quarters, penal rent at three times the rate of rent fixed for the quarters and the rules made thereunder, from the quarters forthwith and in addition, the allottee shall also be liable to disciplinary action under the relevant rules.

2.4 In case any allottee subsequently acquire or obtains residential buildings in any manner, the fact shall be forthwith intimated by the allottee/occupant to the Joint Registrar (Campus Administration). On such intimation the allotment shall stand cancelled. The allottee/occupant shall without fail vacate the quarters within one month from the date on which the allottee/ occupant acquires or obtains such residential buildings. Occupation beyond the date of expiry of the said one month will be treated as unauthorised occupation and the allottee or occupant shall be liable to penalties envisaged in these rules.

2.5. Failure to give timely intimation shall make the allottee/occupant liable to pay penal rent from the date of acquiring or obtaining such residential buildings till the date of vacating the Government quarters/buildings, at three times the rate rent fixed for the quarters/buildings, in addition to other penalties including disciplinary action.

Note: Unmarried Officers will also be eligible for allotment of quarters but preference shall be given to the married officers.

III). Clause 6- Rent

Clause 6 of the existing U.O states that "Rent payable by the occupant of the quarters shall be 8.5% which is to be collected from UGC pay scales drawing officers or the standard rent whichever is lower or the amount fixed in accordance with the rules in force from time to time. If the rent recoverable is based on the emoluments drawn and the emoluments are changed retrospectively, the rate at which rent is recovered shall also be changed retrospectively"

Finance has remarked that, the rent recovered from the University Employees is as per the guidelines issued by Government from time to time.

Hence in adherence to clause 15(1) of G.O(MS) No.11/2006/PWD dated 28.02.2006 and remarks of Finance, clause 6 may be modified as follows:

6. Rent payable by the occupant of the quarters shall be the rent fixed by Government from time to time or the standard rent.

IV). Clause 7.5- Priority

Clause 7.5 of the existing U.O states that, while allotting quarters to employees and teachers, priority shall be given to the wives of Jawans, handicapped, Officers who are physically handicapped, officers whose dependants are mentally challenged and employees belonging to Scheduled Castes & Scheduled Tribes as per the Government Orders in this regard. Priority for classes, mentioned above shall be 1:1 with other non priority applicants and priority shall be determined on the basis of date wise seniority of the applicants.

Later, vide U.O No. Ad.B.II./1/10673(1)/09/2018 dated: 27.03.2019 the Clause 7.5 of the existing U.O was modified by incorporating "priorities for allotment of quarters will be available to University staff who have entered into intercaste marriage. (This should be certified by a Revenue Officer not below the rank of Tahsildar or by Misra Vivaha Sangham)".

Joint Registrar (Campus Administration) has remarked that the above clause regarding priority lacks clarity and suggested to include the priority for the cases specified vide G.O. (Ms) No.65/2016/PWD dated 7/9/2016.

Hence, in adherence to clause 9 of the GO(MS) No.11/2006/PWD dated 28.02.2006 & G.O. (Ms) No.65/2016/PWD dated 07.09.2016, the clause 7.5 of the aforesaid U.O may be modified as :

7.5. Priorities for allotment of quarters will be available to the following: -

(i) Government Servants who are wives of Jawans serving in Border area or who were killed in action or reported missing, (To be certified by proper military authority).

(ii) Officers who are physically handicapped. (To be certified by a Medical Officer not below the rank of an Assistant Surgeon/Assistant Professor belonging to the particular speciality.)

(iii) Ten percent of the quarters inclusive of the special priorities mentioned in rule 9 shall be reserved for allotment to members belonging to the Scheduled castes and Scheduled tribes and a ratio of 1:1 shall be maintained between applicants belonging to Scheduled Tribes and Scheduled Castes. If adequate applications are not available either from the category of Scheduled castes / Scheduled tribes, the quota will be made available to the alternate category. If sufficient applications are not forthcoming from the Scheduled Caste/Scheduled Tribe category the quota would revert to the general pool.

(iv) Government Servants who have entered into inter caste marriage. (This should be certified by a Revenue Officer not below the rank of a Tahsildar or by Misra Vivaha Sangham).

(v) Ex-Service men N.G.Os (to be proved by Certificate from competent authority).

(vi).50 % of the Quarters shall be reserved to women staff

(vii). Government servants who are from distant places.

Note: - i) Priority for classes shall be 1:1 with other non-priority applicants.

ii) The order of priority among the above five classes will be determined on the basis of date wise seniority of the applicants irrespective of the classes.

The Joint Registrar (Campus Administration) has also remarked that, no restrictions are stated in the G.O/U.O about how many times an applicant receives priority during the allotment of residential quarters, ie. if an applicant on the priority list is allotted a residential quarter, they can refuse the same and apply again. Because the application is on the priority list, they would receive the next allotment shortly, whereas those on the non-priority list will not have a chance. As a result, the number of times an applicant receives priority for a particular type of quarter may be restricted to one.

(V). Clause 15.2 -Allotment of higher type quarters

Clause 15.2 of the existing UO states that,"Allotment of higher type of quarters shall be restricted to the type just above the normal type of quarters for which the applicant is eligible. So also, allotment of lower type quarters shall be restricted to the type just below the normal type of quarters for which the applicant is eligible. In both the cases, the allotment shall be made subject to seniority of applications and availability of vacant quarters and on condition that they should change over to their eligible type as and when such quarters are allotted to them. Necessary undertaking should be obtained from the allottee in such cases"

It may be noted that, vide U.O.No.Ad. B II/1367/2025/UOK dated 13.02.2025, rent has been fixed for the employees who are allotted with higher type quarters.

Hence, clause 15.2 may be modified incorporating the decision on levying higher rent.
(VI). Clause 17- Criteria to be followed by retired employees for continued stay at quarters

It may be noted that, clause 17 of the existing UO stipulates on the criteria to be followed by retired employees for continued stay at quarters. However it doesn't stipulate anything on the continued stay in the quarters by the dependents of the employees who have died in harness and also if any allottee of the quarters proceed to leave. Joint Registrar (Campus Administration) has requested clarification on the same.

Hence, in adherence to the clause 16 (iv), 16 (iv) (a) and 16(v) of G.O(MS) No.11/2006/PWD dtd 28.02.2006,& G.O(MS) No.65/2016/PWD dated 07.09.2016 two sub clauses may be incorporated under clause 17 of the U.O and may be added as detailed below:

17.8). In case an officer goes on long leave for more than three months, previous sanction shall be obtained for the continued occupation of the quarters. In such case, rent shall be calculated and realised at the rate prescribed in Rule 6. For the purpose of this rule, the amount of pay drawn by the officer immediately before the commencement of the leave shall be the basis for determining the amount of rent to be realised from the office. And in case an Officer goes on long leave for more than three months for better employment opportunities, the allotment should be cancelled.

17.9) In the event of death of allottee of the quarters, the maximum period of continued occupation by the husband or wife who is not a Government servant/very near relative is fixed as six months in all from the date of death of the allottee or till the end of the academic year whichever is earlier. In such cases, rent shall be realised based on the last pay drawn by the allottee of the quarters.

Note: The term 'very near relative' is defined as follows: Mother or Father or Daughter/Daughters or Son/Sons who are wholly dependent on the deceased allottee.

(VII). Clause 17.5 & 17.6 (Rent calculation after retirement)

Clause 17.5 of the existing U.O states that the rent for the continued occupation of quarters with the permission of the University after retirement, shall be the rent, the occupant was paying at the time of retirement.

Clause 17.6 states that the employee who is being permitted to stay in quarters, 3 months after retirement shall pay a higher rent for their period of stay (not exceeding one year) as detailed below

Type of quarters	Higher rate of rent (in Rs.)
F-type	3000/-
E-type	4500/-
D-type	6000/-
C-type	7500/-
B-type	9000/-
A-type	10,500/-

These two clauses are contradictory in terms of the rent recovery in this regard.

As per clause 16(ii) of G.O (MS) No.11/2006/PWD dtd 28.02.2006 regarding revised rules for allotment and occupation of quarters, it is stated that, if the request of the Govt.Servant for continued occupation after retirement is granted, they shall pay the standard rent/rent fixed by the Government from time to time. Hence a suitable administrative decision may be taken in this regard and clause 17.5 and clause 17.6 may be modified accordingly.

(VIII).Clause 31- Special Sanction basis

Clause 31 of the existing U.O states that, allotment of quarters under special orders shall not be made, but only under exceptional circumstances. Any deviation and declining to be done only after obtaining sanction and due reporting to the Standing Committee of the Syndicate on Planning & Development.

however, the request of the employees for quarters allocation are placed before the standing committee of the Syndicate on Staff, Equipment and Buildings. JR Campus Administration remarked that, considering the increased number of special sanctions for staff quarters, it would be appropriate that a rotation chart maybe be maintained for the allotment of staff quarters.

In addition to that, a criteria may also be followed for special sanction basis .ie. special sanction may be limited to cases with employees/ dependants having medical emergency.

Hence, a suitable decision may be taken in this regard and clause 31 may be modified accordingly.

Item No.27.285.09

Dr. Johnson R, Assistant Professor, Dept of Psychology – regularization of period of suspension from 29.11.2019 to 03.11.2020 – considering reply from Dr. Johnson R – reg.

(Ad. F II)

The Syndicate held on 13.05.2025, vide Item No. 19.131.21 , inter alia resolved to accept the opinion rendered by Service Consultant Adv. Jyothi Chudan, Special Secretary(Rtd), Law Department, Govt of Kerala regarding the regulaization of second spell of suspension of Dr. Johnson R. Accordingly, a notice was served on him on 20.06.2025. Dr. Johnson R submitted his reply dated 24.06.2025. In the reply, Dr. Johnson R claimed that the suspension and imposition of penalty was illegal and requested to regularize his period of suspension as duty for all purposes.

As per the opinion submitted by Adv. Jyothi Chudan, the contention of Dr. Johnson R that the suspension is illegal and the punishment was not imposed on him are contrary to the facts. It is pertinent to note that Dr. Johnson R. was informed of the proposal to take action against him and of the allegations by serving memo of charges and statement of allegations. The same was communicated to him. His reply was considered by the Syndicate and sub-Committee constituted by the Syndicate. It is seen that the procedure as prescribed in the First statutes has been complied with for the imposition of minor penalty of withholding two increments without cumulative effect.

Dr. Johnson R. has not appealed against the order of withholding of two increments without cumulative effect issued on 03.11.2020 under Statute 53 Chapter 4 Part III of the Kerala University First statutes, 1977. The limitation period prescribed under statute 54 is 60 days from the date of receipt of the order appealed against. Since the limitation period for filing appeal has expired, it has become final. Further, when Dr. Johnson challenged the order dated 03.11.2020 before the Hon'ble High court in WP(C) 28736 of 2020, the same was rejected. Dr. Johnson R. challenged the judgement of the Single Bench before the Division bench by filing WA 503 of 2021. The Division Bench, in its judgement dated 13/07/2022 held that 'though extensive arguments were advanced on behalf of the petitioner (Dr. Johnson), we are not impressed by the same and we hold that no interference of that aspect is called for. Thus, the imposition of the penalty of withholding two increments without cumulative effect by order dated 03/11/2020 has become not only final, but also sustained and upheld by the Hon'ble High court of Kerala. All the contentions raised by Dr. Johnson in his letter dated 05.05.2024 were raised before the Hon'ble High Court which were rejected.

Also, the opinion does not recommend to treat his period of suspension as LWA. The notice issued to him on 20.06.2025 directed him to apply for ordinary leave applicable to him, and not LWA as claimed by Dr. Johnson in his reply.

The course of action proposed in the opinion submitted by Adv. Jyothi Chudan is as follows:

"If the Syndicate proposes that the period of suspension can be treated as leave, Dr. Johnson R. shall be informed of the proposal in a notice served on him with a time limit and directed to apply for any kind of ordinary leave (Earned Leave, Half pay leave, Commuted leave or LWA) if he so desires. If he informs that the period of suspension should be treated as a particular leave, the same can be considered by the syndicate in accordance with the ADrules of leave and ordinary leave (Earned Leave, Half pay leave, commuted leave or LWA) due and admissible may be sanctioned for the period of suspension. The option rests with Dr. Johnson as to which leave he desires to avail. If he does not inform about the leave he intends to avail within the time limit, the suspension period can be treated as non- duty without forfeiture of past service."

As per the orders of the Vice Chancellor, the reply submitted by Dr. Johnson R (attached) on the notice served on 20.06.2025 regarding the regularization of his second spell of suspension (29.11.2019 – 02.11.2020) is placed before Standing Committee of Syndicate on Staff, Equipment and Buildings for consideration and appropriate recommendation.

The Committee considered the matter and recommended to refer the item to the Syndicate along with the opinion of the Legal Advisor on the reply submitted by Dr. Johnson R against the notice served on 20.06.2025 regarding the regularization of his second spell of suspension (29.11.2019 – 02.11.2020).

Resolution of the Syndicate

RESOLVED that the item be referred to the Standing Committee of the Syndicate on Staff, Equipment and Buildings and Planning and Development.

letter dated 11.03.2024 informed the proposal of 22 various posts in Engineering Unit had been deferred.

Audit has pointed out that despite being deferred by the Govt, operating excess staff is irregular and requires Govt Sanction and final progress in this regard be furnished to Audit.

In the above audit observation, it may be noted that the posts of Assistant and Buggy operators are not pertaining to the Engineering Unit.

Reply to the Audit Observation OBS-1811512 dated 07.02.025 is as follows.

1) The contract/daily wage employees were engaged by the University according to the decisions of Syndicate made from time to time considering the request of the University Engineer informing the need for employees for the smooth functioning of the University Engineering Unit. These personnel were not engaged against the sanctioned posts in the University.
2) Even though the number of departments and the related construction and maintenance works have increased enormously, the Engineering Unit is having the same staff strength for more than 60 years since its establishment. Scarcity of staff and increase in the quantum of work are affecting the quality of output. In the last financial year, Engineering Unit has executed around 400 maintenance works in addition to other major and minor works using State Plan Fund, Non Plan Fund and RUSA Fund. Besides, setting up of new substations and starting of new departments and centres, call for the involvement of electrical field staff for its proper maintenance and running is not properly addressed. Hence, the University is forced to engage contract personnel from time to time for the proper functioning of the Engineering Unit.

The above matter, reported by the University Engineer, has been furnished to Government vide letter dated 03.07.2022, as the Govt. vide letter dated 18.04.2022 sought details of the scope of engaging daily wage/ contract personnel for the purpose in relation to concurrence of Government for creation of new posts at University Engineering Unit.

The Govt. Vide letter dated 11.03.2024 informed that proposal of creation of 22 various posts in the University Engineering Unit has been deferred." The current status of the staff strength at Engineering Unit is detailed below.

Name of the post	Sanctioned Strength	No. of permanent staff	No. of contract/temporary staff	Excess

Assistant Executive Engineer (Electrical)	0	0	1	1
Overseer(including electrical & Civil)	4	0	3	0
Work Superintendent	10	0	9	0
Electrician	6	5	3	2
Line Helper	5	1	10	6
AC(Refrigeration) Mechanic	0	0	2	2

In this regard it may be noted that there is no excess staff are working currently in the post of Overseer and Work superintendent.

The post of AC (Refrigeration) Mechanic is not pertaining to the Engineering Unit, which is under Central Laboratory for Instrumentation and facilitation (CLIF) as per KUFO 1978. The two contract employees in this post is transferred from CLIF to Engineering Unit vide U.O. No. Ad DIII/1502/2022/UOK dated 26.02.2022.

But in the posts such as Assistant Executive Engineer (Electrical)-1, Electrician-2 and Line Helper -6, excess staff than the sanctioned strength are working at present.

As per the orders of the Hon'ble Vice Chancellor the matter regarding the audit observation of the

Alappuzha – reg.**

(Ac. B I)

The students of KUCTE Alappuzha has forwarded a letter submitting the following:

1. Most of the students in the College are from economically weaker sections and hence they demanded introduction of Uniform at the College. The College authorities are reluctant to introduce the same stating that there is an order to this effect that does not permit uniform at the College. Later the women students were not permitted to wear similar dress on womens' day.
2. The College Union elections were conducted spanning 3 days and the Union inauguration was kept pending owing to the indifferent attitude of the Principal and the same was later somehow held after constant demands made.
3. The only programme that was permitted to be held during the period was the Christmas day celebrations even though the students had high plans to celebrate Womens day celebration, science day celebration etc.
4. Earlier assembly was held regularly and on one day the Principal announced that national anthem shall not be sung in the morning and till date national anthem was not sung at the College, neither in the morning nor in the evening .
5. After the model examinations the students are called to the auditorium and to dance with the Principal with music played at a high volume.
6. The Principal has also not taken any initiative to conduct tour as per second semester curriculum instead made fun of the financial situation of the students for its conduct.
7. All decisions are all made by the Principal herself, without consulting with other teachers.
8. The students have also reported that they are leading a stressful atmosphere at the College, due to the indifferent behaviour of the Principal.
9. They have therefore requested to resolve their issues at a fast pace.

As per the orders of the Registrar, report from the Principal KUCTE. Alappuzha was sought. While reporting, the Principal denied all the allegations raised against her and remarked that, as per her enquiry it is known that, the complaint has not been filed by the students and all the complaints raised are baseless and false. Further, stated that all the activities of the College are organised and are uploaded in the facebook page.

It may be noted here that, the Principal has not provided any documental proof in support of denial of complaints raised.

The matter was placed before the Standing Committee of the Syndicate on Affiliation of Colleges held on 27.08.2024 and recommended that the matter be referred to the Syndicate, as a complaint of similar nature in respect of KUCTE, Alappuzha is already under consideration of the Standing Committee of the Syndicate on Departments and other Institutions of the University. Item No.27.286.02 Alleged irregularities in the appointment of contract staff - petition – reg.

(Ad. D III)

The Additional Chief Secretary to Governor, forwarded a copy of the unsigned petition from some candidates on the matter of irregularities in the appointment of contract staff in various Departments in the University of Kerala. It was stated that the teaching and non-teaching staff, who are appointed on a contract basis for eleven months in the departments under the University of Kerala, are routinely re-appointed secretly without following any appointment criteria when their tenure expires. There are those in the University who have been employed on contract basis for eleven months and have been in temporary employment for more than ten to twenty years. In a state with

lakh of unemployed educated people, giving even temporary jobs to a select few is injustice and clear corruption towards the unemployed youth. Hence, it was requested that the contract appointments should not be given to a person for more than three years and that a new notification be issued and appointments should be made after the term expires to ensure social justice.

The contract engagements in various Departments under the University are done from the Rank-lists preped, in accordance with the reservation chart followed by Kerala Public Service Commission. The contract engagements are made for a period of eleven months. On expiry of tenure, if the situation demands, as per the recommendation of the Head of the Department / recommendation of the Department Council, based on their performance and experience, they are engaged, after giving the mandatory break.

As per orders of the Vice Chancellor, the petition forwarded by the Additional Chief Secretary to Governor, requesting to limit the duration of all contract engagements in the departments under the University of Kerala, for a period of 3 years and to issue new notifications accordingly, is placed before the Standing Committee of the Syndicate on Staff Equipment and Buildings, for consideration and appropriate recommendation.

The Committee, while considering the petition forwarded by the Additional Chief Secretary to Governor requesting to limit the duration of all contract engagements in the departments under the University of Kerala, for a period of 3 years & to issue new notifications accordingly, observed that there is hardly any merit on the unsigned petition of some candidates on the matter of irregularities in the appointment of contract staff in various Departments in the University of Kerala, since the appointments are made in accordance with the prescribed rules.

Resolution of the Syndicate

RESOLVED to refer the item to the Standing Committee of the Syndicate on Staff, Equipment & Buildings and Planning and Development.

Item No.27.286.03 Regarding the constant complaints received from students at various levels in the Psychology Department against Dr. Johnson R., a faculty member in the same department.

(Ac. B I)

The following complaints against Dr. Johnson R., Assistant Professor in the Psychology Department had been received in the section.

1. A letter dated 22.08.2025 was received from Dr. H. Shailaja, Head of the Psychology Department, regarding the resolution of the continuous complaints received against Dr. Johnson R., Assistant Professor in the Department.
2. The complaints from first and second year postgraduate students, FYUGP 2025–2029 Psychology minor students

3. A complaint alleging an attempt to physically assault of second-year PG students Jisha Jayan Geetha and Aishwarya Ravi
4. A complaint from FYUGP Psychology major (2025–29) students forwarded through the Kerala University Department Union.
5. The complaint from second-year PG students' from the Governor's Chief Secretary with instructions to submit a report before the Hon'ble Chancellor.
6. The same complaint (5) above was also forwarded by the Higher Education Department, directing the University to submit a report.

The letter from Dr. H. Shailaja, Head of the Psychology Department, states that all complaints submitted so far against the said teacher have already been forwarded to the University, and that each of these complaints is serious in nature. Over the past several days, first and second year undergraduate students as well as postgraduate students have been approaching the Head of the Department with various issues concerning the teacher. Although he has been assigned to conduct classes, he rarely attends them. On the occasions when he does attend, he neither teaches the students nor behaves appropriately; rather, he intimidates them and has even attempted physical harassment. Students consistently report that, on the rare occasions he takes classes, the academic quality is extremely poor. At present, he cannot be assigned to teach any batch.

The Head of the Department further states that these concerns raised by students have been brought to the teacher's attention multiple times. He has been repeatedly instructed, in strong terms, to improve both his behaviour and his teaching. However, on each such occasion, he has verbally abused the Head of the Department in an uncivil manner.

Despite several letters being sent by students and the Department to the University highlighting these issues, no action has been taken so far, leading student organisations to begin protesting. The matter has also appeared in the visual media, and students of the Psychology Department have publicly presented their grievances. There is a possibility of further protests and agitation, which could seriously damage the University's reputation and credibility. Although the Head of the Department has taken all actions possible within her authority, the University has not yet taken any decision. Hence, the letter requests that the University treat the matter with urgency and take necessary action at the earliest.

Regarding the complaint submitted by the first and second year postgraduate students, this Section had sought reports from the Campus Director and the School Director through letter No. 47886/Ac B1/2025/UOK dated 03.09.2025. A reminder was also issued in this regard; however, the reports have not yet been submitted. Additionally, the University received.

The complaints raised by the FYUGP 2025–2029 Psychology minor students regarding the immediate commencement of minor classes and the appointment of adequate guest lecturers fall within the purview of the Administration Section and have been forwarded accordingly (file. No. 48306/Ac B1/ 2025/UOK).

The complaint forwarded by the Department Union on behalf of the FYUGP Psychology major students includes the same allegations and demands raised by the postgraduate students.

Students have raised serious concerns about faculty member Dr. Johnson R, citing multiple documented incidents of misconduct, including inappropriate behavior toward female students, harassment during seminars, use of sexually explicit and offensive language, unfair academic evaluation, racist and sexist remarks, and verbal abuse of students who question his teaching. There are also allegations of physical intimidation, refusal to provide necessary supplementary exams, and reports that he has been blacklisted by other institutions. Several complaints against him are already pending with the Internal Complaints Cell.

Given the seriousness of these issues, students have requested:

1. The immediate removal of Dr. Johnson R from all teaching and mentoring duties for their batch.
2. Appointment of a guest faculty member as an interim measure to ensure academic continuity and student safety.
3. An independent and impartial inquiry based on internal and external reports.

The students state that the matter involves serious violations of ethics, academic integrity, and student safety. They also warn that continued inaction may force them to go on strike to protect their rights and well-being.

As per the orders of the Vice Chancellor, the whole matter regarding the complaints against Dr. Johnson R is placed before the Standing Committee of the Syndicate on Staff, Equipment and Buildings for consideration and recommendations.

The Committee considered the matter and recommended to refer the item to the Syndicate.

Persons who appeared for the hearing

Petitioner : Sri. Akhil Rajesh R

Respondents: Principal, Christian College, Kattakkada.

The meeting commenced at 10.30 am.

REGISTRAR (I/C)

VICE-CHANCELLOR

Item No. 27.291.01 *To implement the judgement in WP(C) No 44926 of 2025 , filed by the petitioner Sri. Akhil Rajesh regarding the issuance of forced Transfer Certificate, by the Principal, Christian College, Kattakkada.*

As per the judgement dated 03.12.2025 in WP(C) No. 44926 of 2025 ,the writ petition is disposed of by permitting the petitioner to submit a complaint before the Board of Adjudication of Students' Grievances within one week , and directing the University to require the Board to take a reasoned decision on the complaint, after hearing the petitioner and the College authorities, preferably within a period of one month.

The high court has permitted the petitioner to appear for the examinations provisionally and subject to the outcome of the complaint. The same has been informed to the tabulation section for taking up necessary actions to make him write the examination. The result of the candidate is withheld.

In obedience to this the petitioner submitted a complaint addressing the BASG on 08.12.2025.

As per the complaint from Sri. Akhil Rajesh it is stated that, he started a unit of Student Politics and was elected as Secretary of the said unit committee which invited hostility and animosity from the management and certain teachers. It is alleged that, he was repeatedly targeted and falsely implicated in the minor issues and was suspended from the College. Again on 28.10.2025 there occurred a scuffle between some students and the petitioner intervened in the issue. In connection with that issue he was again suspended and later based on the enquiry committee report T.C dated 20.11.2025 has been issued.

As per the Kerala University First Ordinances, 1978, ' If any student is expelled from any College maintained by or affiliated to the University, intimation of the fact of expulsion with a statement of reason therefore shall be given forthwith by the Principal to the parent or guardian of the student, and to the Syndicate. Intimation to the Syndicate shall be accompanied by the transfer certificate of the student. The Syndicate on the application of the student or his parent / guardian may, after making such enquiry as it deems proper, deliver the certificate to the student or his parent /guardian with necessary endorsement or with hold it temporarily or permanently.

In obedience to the above, the College vide letter dated 20.11.2025 has informed that, the candidate has been suspended and his T.C has also been forwarded with a statement of reason which says that the decision was made based on the enquiry Committee report and CCTV footage.

Later vide letter No. PL/133/CCK/2025 dated 15.12.2025 the Principal has pointed out the following

- Sri. Akhil Rajesh R, was a 2023 admission BA Economics student who has been warned several times and suspended thrice.
- In the name of student politics he made many issues against the students and teachers.
- First suspension was on February, 2024 due to his mis behaviour towards a security staff . The petitioner physically assaulted the security staff and based on the decision of the Staff council meeting he was suspended.
- Later due to his involvement in a student conflict occurred on 08/11/2024 he was again suspended for 14 days. Later he was allowed to attend classes making a promise that from that day onwards he shall attend all the classes and will not make any issues.
- Again in an incident that took place on 28/10/2025, he was again suspended along with the other students who were involved in the conflict. At the time of issuance of the suspension letter he again physically assaulted one among the students Sri. Jijesh J I and a professor of Statistics department Sri. Hari. V .G.
- Based on the complaint from Sri. Jijesh J I and Sri. Hari. V G an enquiry was conducted and it was decided to give Transfer certificate to Sri. Akhil Rajesh R considering the threat that may happen on the backdrop of physical assault took place at the College. Also the CCTV footages were against him.
- The Principal has also forwarded the Minutes of the Staff Council Meetings and all other supporting documents.

It may be noted here that, as per the student history available with the University it is evident that the petitioner is a not at all regular in the examinations and have not attended most of the examinations. More over the classes have been closed for the 2023 admission students and he does not have attendance to register for 6 th semester examinations. Also it may be noted that from 2024 admission onwards FYUGP came into force and the course itself does not exist. The only option for the student is to cancel the course and join for a new one.

In compliance with the judgement WP(C) No 44926 of 2025 of the Hon'ble High Court , the BASG heard Sri. Akhil Rajesh R and the Principal, Christian College, Kattakkada on 01.04.2026.

THE FINDINGS OF THE BASG :

In accordance with the procedures outlined in Statute 5 Chapter 36 of the Kerala University First Statutes, 1977, the BASG records its findings hereunder;

- The Staff council Minutes , the copy of complaints filed by the College at the Kattakkada Police Station ,the copy of the complaints submitted by one of the students and a teacher whom he assaulted physically ,the video recordings of the scuffle occurred in the College on 28.10.2025 shows that Sri. Akhil Rajesh R is a habitual offender.
- The Student history of the candidate shows that he has attended the first semester, 1 out of 6 papers in the fourth semester and 1 out of 6 papers in the fifth semester. Also it is found that he has not attended any of the exams in second and third semesters and in certain semesters he had not even attended internals. He had not cleared any of his papers from First to fifth semester.
- In the fifth semester he had only attended 1 paper out of six ,even after the provision for writing examination was granted by the Honb'le High Court. This shows his utmost academic negligence.
- His alleged complaint that he was not heard before suspending him and the issuance of T.C was proved baseless as the Principal submitted a signed document which proves that he was heard.
- The request of the candidate to allow him to write the sixth semester exams cannot be considered since the classes of sixth semester has been completed at the Colleges for the 2023 admission students, it was the last batch of CBCSS scheme of study , from 2024 the programme and scheme of study has been changed to FYUGP.
- Therefore BASG also upholds the decision by the College with regard to the issuance of TC to Sri. Akhil Rajesh R.

The proceedings of the hearing is enclosed.

The meeting came to an end at 1.00 pm.

During hearing, the members of the Board enquired the Principal about the issues that led to the issuance of compulsory TC to the petitioner. Dr. A.S Rubin Jose, the Principal, Christian College, Kattakkada explained that the petitioner is a habitual offender. He was suspended thrice for involvement in various issues in the College. First suspension was on February, 2024 due to his misbehaviour towards a security staff. The petitioner physically assaulted the security staff and based on the decision of the Staff council meeting he was suspended and later he was allowed to join the course since the affected security staff withdrew the complaint citing personal reasons. Thereafter, due to his involvement in a student conflict occurred on 08/11/2024 he was again suspended for 14 days. Later he was allowed to attend classes after obtaining written assurance from the petitioner stating to the effect that there will not be any flaws from his side thereon and he will attend all the classes without fail. In an incident that took place in the College on 28/10/2025, he was again suspended along with the other students who were involved in the conflict. At the time of issuance of the suspension letter he physically assaulted one among the students Sri. Jijesh J I and a professor of Statistics department Sri. Hari. V .G. Based on the complaint from Sri. Jijesh J I and Sri. Hari. V G an enquiry was conducted and it was decided to give Transfer certificate to Sri. Akhil Rajesh R considering the threat that may happen on the backdrop of physical assault took place at the College. Also the CCTV footages were against him. The Principal has submitted the Minutes of the Staff Council Meetings and all other supporting documents including the complaints given by the College at Kattakkada Police Station.

The Petitioner Sri Akhil Rajesh R was heard and he submitted that he was not given a chance for explanation and hearing was not conducted. But the Principal submitted a signed document showing that he attended the hearing. Also the candidate submitted that, he was not involved in any issued that took place in the College. But the video submitted by the Principal clearly depicts his presence in the Scuffle occurred on 28.10.2025.

THE FINDINGS OF THE BASG :

In accordance with the procedures outlined in Statute 5 Chapter 36 of the Kerala University First Statutes, 1977, the BASG records its findings hereunder;

- The Staff council Minutes, the copy of complaints filed by the College at the Kattakkada Police Station, the copy of the complaints submitted by one of the students and a teacher whom he assaulted physically, the video recordings of the scuffle occurred in the College on 28.10.2025 shows that Sri. Akhil Rajesh R is a habitual offender.
- The Student history of the candidate shows that he has attended only 3 out of 6 papers in the first semester, 1 out of 6 papers in the fourth semester and 1 out of 6 papers in the fifth semester. Also it is found that he has not attended any of the exams in second and third semesters and in certain semesters he had not even attended internals. He had not cleared any of his papers from First to fifth semester.
- In the fifth semester he had only attended 1 paper out of six, even after the provision for writing examination was granted by the Hon'ble High Court. This shows his utmost academic negligence.
- His alleged complaint that he was not heard before suspending him and the issuance of T.C was proved baseless as the Principal submitted a signed document which proves that he was heard.
- The request of the candidate to allow him to write the sixth semester exams cannot be considered since the classes of sixth semester has been completed at the Colleges for the 2023

admission students, it was the last batch of CBCSS scheme of study , from 2024 the programme and scheme of study has been changed to FYUGP.

- Therefore BASG also upholds the decision by the College with regard to the issuance of TC to Sri. Akhil Rajesh R.
