

Prof. P.A. Kurup

(07.12.1927 – 21.06.2016)

The Department of Biochemistry, University of Kerala is indebted to Dr. P.A. Kurup, its founder Head for building the discipline of Biochemistry in Kerala. He left this earthly abode, on 21-6-2016, at the age of 89. In his Six and a half decades of career, he served as Professor and Head of the Department of Biochemistry University of Kerala, and his post retirement years – as Director of Metabolic Disorders Research Centre (MDRC), Trivandrum. Department of Biochemistry and its alumni have instituted a Prof P.A. Kurup Memorial lecture from 2016 onwards in recognition of his glorious contributions to the Department of Biochemistry.
