ORDER

Sanction was accorded by the Vice Chancellor vide U.O read (1) above to implement the guidelines for improvement of internal marks of B.Tech candidates of 2008 and 2013 Scheme and B.Arch students of 2008 Scheme, who have secured 40 or more marks in the Theory examinations but failed due to low internal marks.

As per the existing norms for improvement of B.Tech/B.Arch course, the 2008 scheme students were permitted to improve the internal marks in the existing scheme i.e. 2013 scheme and subsequently attend University Examination in 2013 scheme. But under the new guidelines for improvement vide U.O read (1) above students who already secured 40 or above marks in the previous supplementary examination can improve the sessional marks and the revised internal marks shall be added to the already obtained 40 or above marks of theory paper, according to which, for the 2008 scheme B.Tech/B.Arch students the revised internal marks will be added to the marks secured in the examination attended in 2008 scheme. The tabulation section has sought clarification of the U.O regarding the Scheme in which the B.Tech/ B.Arch students of 2008 Scheme should improve the internal marks as the students are not attending University examination.

The Standing Committee of the Academic Council at its meeting held on 24.07.2019 considered the matter and recommended to authorize the Dean, Faculty of Engineering & Technology to offer learned opinion and to place the matter before the ensuing meeting of the Syndicate. The Vice Chancellor approved the above recommendation.

The Dean, Faculty of Engineering and Technology remarked that the student may be permitted to improve his/her sessional marks of 2008 scheme, by studying the subject from a Faculty member assigned by the Principal. The student has to attend classes (separately, if required) with the minimum percentage attendance, take class test, write assignments and meet all the requirements for the award of sessional marks.

The Standing Committee of the Syndicate on Examinations at its meeting held on 15.11.2019 recommended to accept the remarks of the Dean Faculty of Engineering and

Technology that the B.Tech/B.Arch students of 2008 scheme who have secured 40 or above marks in theory papers can improve the sessional marks in 2008 scheme itself.

The Syndicate held on 22.11.2019 resolved to refer the Item to ~~the~~ Academic Council.

The Academic Council vide Paper read as (5) above resolved that **B.Tech/B.Arch** 2008 Scheme students be permitted to improve sessional marks under the same scheme under faculties assigned, meeting all requirements for the award of sessional marks.

Orders are issued accordingly.
