

University of Kerala
Engineering Unit, Kariavattom

**Tender Schedule for the supply and installation of PA system at Department of Economics-scheme on study on the cost of cultivation of
Principal crops in Kerala (Retender)**

Sl.No.	Quantity	Specification	Unit	Rate	Rate in words	Amount
1	1 no	Supply and installation of PA Amplifier 120 W RMS with Digital player/recorder, 5 Mic and 2 Aux Ahuja model SSB-120 DP/BOSCH/JBL	E			
2	4 nos	Supply and installation of PA wall speaker 30 W on 100V Ahuja model SMX-302 T/BOSCH/JBL	E			
3	1 no	P A UHF Wireless Microphone provides 100 selectable frequencies infrared channel Synchronization between receiver and Transmitter. RF Out put power 10 m W (Max), frequency resp:50-15000 HZ, power requirement for Transmitter 3 V (2x1.5 VAA pencill cells. Ahuja Model AWM--900 UL/BOSCH/JBL	E			
4	1 no	P A UHF Wireless Handheld Microphone provides 100 selectable frequencies infrared channel Synchronization between receiver and Transmitter. RF Out put power 10 m W (Max0, frequency resp:50-15000 HZ, power requirement for Transmitter 3 V (2x1.5 VAA pencill cells.Ahuja Model AWM--900 U /BOSCH/JBL	E
