.....
.....

Sir,

I/We hereby tender to supply, under the annexed general conditions of contract, the whole of the articles referred to and described in the attached specification and schedule, or any portion thereof, as may be decided by the University of Kerala, Thiruvananthapuram at the rates quoted against each item. The articles will be delivered within the time and at the places specified in the schedule.

*I/We am/are remitting/have separately remitted the required amount of Rs.
.....
..... as earnest money.

Yours faithfully (Signature)

.....

(Address)
.....
.....

Date:.....

* To be scored in cases where no earnest money deposits is furnished.

Important: This tender form may be printed on A4 size paper. Editing of the pre- printed text in the tender form in any way other than as indicated (like ticking, filling in with ink/typing, scoring off in applicable material etc.) will render the tender form invalid and liable for rejection.

GENERAL CONDITIONS

Sealed tenders are invited for the supply of the materials as specified in schedule attached below.

1. The tenders should be addressed to the **Professor and Head, Department of Botany, University of Kerala, Kariavattom Campus, Thiruvananthapuram-695581, Kerala** in a sealed cover with the tender number and name – “**Tender for the Purchase of Tabletop centrifuge (1 No) - DST FIST Programme**” duly superscribed on the cover on or before **12/11/2024, 3.00 PM**.

2. Tenders which are not in the prescribed form are liable to be rejected and the cost of tender forms once paid will not be refunded. The rates quoted should be only in Indian currency. Tenders in any other currency are liable to rejection.

3. Intending tenderers should send their tenders so as to reach the officer mentioned in the tender notification, on or before the due date and time noted therein. No tender received after the specified date and time will be accepted on any account. The rates will be considered firm for acceptance till the date mentioned therein. Tenders not stipulating period of firmness and tenders with price variation clause and/or ‘subject to prior sale’ condition are liable to be rejected.

4. (a). The cost of the **tender form 708.00** (Rupees Seven Hundred and Eight only) (i.e. Rs.600 + 18% GST) and the **Earnest Money Deposit of Rs. 3000/-** (Rupees Three thousand only) should be remitted by way of Demand Draft issued from a nationalized/ scheduled bank, drawn in favour of **FIST LIFE SCIENCES LEVEL B,C OR D-PROJECT** Department of Botany, University of Kerala, Kariavattom Campus payable at **State Bank of India, Kariavattom Branch (SBIN0070043)**. The tender documents, along with separate DD towards the cost of the tender form and the EMD should be submitted/ sent to The Professor and Head, Department of Botany, University of Kerala, Kariavattom Campus, Thiruvananthapuram- 695581, Kerala. **Cheque will not be accepted**. The earnest money of unsuccessful tenderers will be returned as soon as possible after the tenders are settled.

(b). Performance Security: If work is awarded, a Performance security equal to 5% of contract value shall be furnished by the bidder. The Performance Security will be forfeited, if the firm fails to abide the terms and conditions of the tender and subsequent execution of the work/ warranty liability. It will be released on successful completion of work and general warranty period of 03 years.

(c). Tenderers whose names are registered with Government (Stores Purchase Department) are generally exempted from furnishing earnest money for such articles for which they have registered their names. If they tender for stores other than those for which they have registered their names, they will have to furnish earnest money as in the case of unregistered firms. Registered firms will have to quote invariably in every tender they submit, the registration

number assigned to them by the Stores Purchase Department. Attested copy of registration certificate may be enclosed with the tender for reference.

(d). Small Scale Industries and Cottage Industries within the Kerala state, which are certified as such by the Director of Industries and Commerce or by the Regional Joint Director of Industries and Commerce will be exempted from furnishing earnest money against tenders for supply of stores manufactured by them.

5. If any tenderer withdraws from his tender before the expiry of the period fixed for keeping the rates firm for acceptance, the earnest money, if any deposited by him will be forfeited to University of Kerala or such action taken against him as the University think fit.

6. The final acceptance of the tender rests entirely with the University who do not bind themselves to accept the lowest or any tender. But the tenderers on their part should be prepared to carry out such portion of the supplies included in their tender as may be allotted to them.

7. In cases where a successful tenderer, after having made partial supplies, fails to fulfill the contracts in full, all or any of the materials not supplied may at the discretion of the Registrar, be purchased by means of another tender/quotation or by negotiation or from the next higher tenderer who had offered to supply already and the loss, if any, caused to the University shall thereby, together with such sums as may be fixed by the University towards damages, be recovered from the defaulting tenderer.

8. Payment: The University will release the payment only after inspecting the equipment and satisfy that the supply is as per the requirements. The payment will be made after successful completion of the supply and installation and producing invoice in triplicate

9. The contractor shall not assign or make over the contract or the benefits or burdens thereof to any other person or body corporate. The contractor shall not underlet or sublet to any person or body corporate the execution of the contract or any part thereof without the consent in writing of the Registrar who shall have absolute power to refuse such consent or to rescind such content (if given) at any time if he is not satisfied with the manner in which the contract is being executed and no allowance or compensation shall be made to the contractor or the sub-contractor upon such recession. Provided always that if such consent is given at anytime, the contractor shall not be relieved from any obligation, duty or responsibility under this contract.

10. The tenderer shall undertake to supply materials according to the standard sample and/ or specifications

11. No representations for enhancement of rates once accepted will be considered.

12. Any attempt on the part of the tenderers or their agents to influence the University in their favour by personal canvassing with the officers concerned will disqualify the tenderers.

13. Installation and Commissioning: The items shall be installed and commissioned at Department of Botany, University of Kerala, Kariavattom Campus. All incidental expenses should be borne by the supplier.

14. The item should be supplied within a period 30 days from date of supply order.
15. General rules relating to the purchase of materials/ equipment will also be applicable to this tender.
16. **Only one model can be quoted in a tender.** If the tenderer wants to quote for more than one model, separate tenders should be submitted. If more than one model is quoted in a single tender it will be summarily rejected.
17. **Technical bid and financial bid must be placed in individual sealed envelopes and these envelopes must be placed inside a bigger envelope.** The top of cover must also contain name and address of the tenderer, telephone number and other contact details for the further correspondence.
18. Catalogue of the quoted instrument and images are mandatory.
19. Warranty/Guarantee: The supplier shall guarantee to repair/replace the items or its part –if found defective within the **warranty period of 03 years**. The entire expenditure for repair/ replaces of the item in this regard shall be borne by the supplier.
20. Service facility: Supplier should mention their details of **service setup and manpower in Kerala especially at Trivandrum** who are responsible for after sales service. Service support undertaking should be furnished.
21. Performance Certificate: A performance certificate and installation certificate (with names of Institutes, contact person and telephone/ email) from **minimum 5 esteemed customers** where same equipment (quoted model) supplied by you in India [Preferably South India] should be submitted along with tender documents.
22. In case of the dispute arises, the decision of University authority shall be final and binding on bidders.
23. After technical bid evaluation, the **selected bidders will perform offline demo of quoted model** at the Department of Botany, University of Kerala, Kariavattom Campus.
24. The undersigned reserves the right to reject or accept any or all the tenders received fully or partially without assigning any reason thereof.
25. The Validity of the Quotation will be for 180 days.
26. Rate quoted should be inclusive of all charges such as packing, forwarding, freight, loading/ unloading/ handling or installation charges and Government duties leviable, if any.
27. **Other special conditions:** Defective items, if any, supplied should be rectified/ replaced to the satisfaction of the University by the suppliers at their own cost.

Technical Specification

- System should have a Maximum Speed of 15,000 rpm and above with a brushless motor and user defined RPM
- Relative Centrifugal Force (RCF) should be 21,000 x g and above
- Temperature range should be from -1°C to +40°C and should be able to maintain 4°C at maximum speed
- System should have timer settings from 10sec to 9:59 hr, or above with continuous run function
- System should have a maximum capacity 6x 15 ml tubes
- Rotor must be metallic and withstand autoclaving at 121°C for 20 mins
- System should also have the provision to use both fixed angle and swing bucket rotor
- Adapters to support tube formats like 1.5 ml, 2ml, should be available
- Rotor lids should have a Quick Lock-system for secure lid closing and opening
- Aerosol tightness of the rotor should be certified by a third-party agency
- System should be possible to operate the rotor even without rotor lid
- System needs fast temperature function for rapid cooling of centrifuge
- System should have an in-built condensate drain to prevent water accumulation inside the stainless rotor chamber to avoid corrosion
- System must have automatic shut off function of the compressor to reduce energy consumption and to extend compressor life when not in use for long hours
- System should be able to start the timer count only when the set centrifugation RPM is reached, to support the short spin protocols
- System should possess a separate short spin key with defined maximum speed for brief spin
- System should be possible to operate the centrifuge at set rpm, for short spin protocols
- System must possess dedicated soft function to perform gentle acceleration and deceleration to enhance sedimentation
- System must have finished time function to indicate time since centrifugation complete
- System should support quiet operation in work place with noise levels <55 dB(A)
- System needs an emergency lid opening
- System must have bright digital display with LCD
- Instrument should be European CE Certified
- System must have an USB-port for service maintenance

Rotors

- Fixed angle rotor for 24 x 1.5 /2.0 ml tubes with aerosol tight lid having 15,000 rpm and above & rcf 21,000 x g and above
 - Tube capacity: 24 x 1.5 /2.0 ml tubes
 - Tube capacity 6 x15 ml and 6 x 50 ml tubes
 - Rotor and rotor lid must be made of metal with corrosion resistant coating
 - Rotor with Aerosol-tight lid and supporting quick locking

- Servo controlled Compatible Stabilizer (2KVA or better) made of copper winding should be supplied along with equipment

- **Warranty of at least THREE YEARS for equipment, rotor(s) and stabilizer should be given from the date of successful installation in the Department of Botany**

I..... (Name of Authorized Person) on behalf
of.....
(Company name) do hereby agree the terms and conditions mentioned in the tender and supply of
above item as per schedule and rate mentioned in the financial bid.

Signature and Seal of Bidder

Those who are interested should send their bid (The bid **technical and financial separately**
complete in all respects) may be submitted in a sealed cover (hard copy only) superscribed with
“Tender for
.....
.....Ref. No.....
Equipment Name
..... and addressed to **The Professor and Head, Department of Botany, University of
Kerala, Kariavattom Campus, Thiruvananthapuram-695581, Kerala.**
