2. The teaching hours allotted in the FIFTH semester for the Project/Dissertation [i.e., 2 hours/week] is to be used to make the students familiar with Research Methodology and Project writing.
3. A maximum of five students will work as a group and submit their project as a [single] copy for the group. The members of a group shall be identified by the supervising teacher. Subsequently each group will submit a project/dissertation and face the viva individually/separately.
4. The list containing the groups and its members should be finalized at the beginning of the FIFTH semester.
5. Students should identify their topics from the list provided in consultation with the supervising teacher or the Faculty Advisor of the class [Semester 5] as the case may be. The group will then collectively work on the topic selected.
6. Credit will be given to original contributions. So students should not copy from other projects.
7. There will be an external evaluation of the project by an External examiner appointed by the University. This will be followed by a viva voce, which will be conducted at the respective college jointly by the external examiner who valued the projects/dissertations and an internal examiner. All the members within the group will have to be present for the viva voce. The grades obtained [for external evaluation and viva voce] will be the grade for the project/dissertation for each student within that group.

8. The Project/Dissertation must be between 20 and 25 pages. The maximum and minimum limits are to be strictly observed.
9. A Works Cited page must be submitted at the end of the Project/Dissertation.
10. There should be a one-page Preface consisting of the significance of the topic, objectives and the chapter summaries.
11. Two copies have to be submitted at the department by each group. One copy will be forwarded to the University for valuation and the second copy is to be retained at the department.
