Online Education

1. Does all programs/courses were completed on time.	Yes
2. Measures taken to complete the syllabus of courses and programs.	<p>University of Kerala has formulated a well-defined system to monitor the completion of the syllabi of courses and programmes through the following measures:</p> <ul style="list-style-type: none"> •Preparation of an Academic Calendar of all programmes of the University by Credit and Semester System (CSS). •Submission of the Academic Calendar to all department heads for detailed discussion in the respective Department Council. •Allotment of courses among teachers by the Department Council and time table preparation by the Course Coordinator •Allotment of mentors to students •Preparation of mid-term examination time table •Department Councils monitor progress of Continuous Assessment •End-Semester examination by the University •Periodic Feedback system from the students on curriculum. •Feedback from stakeholders on the curriculum, including timely delivery. •Continuous monitoring under CSS Academic Committee. <p>University of Kerala ensures completion of syllabi of the course through compliance with the Outcome Based Education system where outcomes are attained based on LOCF mapping system. Compliance with the Academic Calendar ensures timely completion of the curriculum and conduct of examinations. Each teacher transacting the curriculum does upload the curriculum along with learning outcomes and time schedule under Learning Management System. Continuous Assessment and End Semester Examination is carried out based on OBE format.</p> <p>The paradigm shift from objective-based assessment to outcome-based assessment, initiated through the OBE system in 2020 attempts new modes and methods of attaining learning outcomes stated in the syllabi. The system of assessment ensures the attainment of the course outcomes through Continuous Assessment (CA), tutorials, feedback from students, mentoring, peer evaluation and End Semester Assessment (ESA) with independent student feedback and teacher evaluation. The completion of the above processes within the specified time is monitored by the Department Council of the concerned Department where the academic programs are undertaken.</p> <p>Continuous Assessment includes assignments, attendance, seminars, and mid-semester examination with experiential and participatory learning methods, which ensures a student centric curriculum transaction. University offers a basket of generic courses which provide flexibility and opportunity to choose courses of their choice from other departments. Through induction level programmes at the time of admission describe the Programme Outcomes (POs) and Programme Specific Outcomes (PSOs) for all the programmes and Course Outcomes (COs) for the courses under each programme. This will follow a series of rigorous academic deliberations, workshops, expert opinions and peer reviews throughout the academic year. At the end of each programme, Cos are mapped alongside POs, PSOs, Cognitive Levels, Knowledge Categories. Classroom Sessions and Laboratory hours facilitate the assessment of CO attainment and subsequent PO/PSO attainment. Attainments of COs are measured both directly and indirectly with specifically defined Rubrics. Direct assessment methods include a flexible set of methods such as mid-semester examinations, closed and open book tests, laboratory reports, case study reports, oral presentations, viva-voce, activities and field works for which the MOODLE platform is used in a well-planned form as per the Academic Calendar. The Course Outcome Attainment Gap is estimated and necessary remedial actions are being undertaken. Accordingly, University assures the best curriculum transaction in OBE mode with very transparent and robust assessment methods.</p>
