Thiruvananthapuram, dated: 11-02-2020

To

**The Principal**

Dear Sir,

***Sub: - State Level Workshop on Meeting Quality Outcomes for Higher Education Institutions - Reg.***

Government of India has noted in the Gazette that accreditation is mandatory for all institutions, UGC has stopped funding colleges which are unaccredited or not yet applied for accreditations. The need and relevance of accreditation is very much felt.

In this context, University of Kerala is organizing a two day workshop titled **Meeting Quality Outcomes for Higher Education Institutions** on 16<sup>th</sup> and 17<sup>th</sup> March 2020, venue being Senate Chamber, S. H. Campus, Palayam. Resource Person from NAAC would address the workshop.

The focus would be on creating awareness on accreditation among non accredited HEIs and on the methodology adopted for the accreditation. We solicit your presence along with the IQAC Coordinator in the Workshop.

Please do register through our email id ***naacworkshopuok@gmail.com*** on or before 29<sup>th</sup> February 2020 5 p.m.

*You are kindly requested to make your own travel and accommodation arrangements.*

Thanking You

Yours faithfully

  
**Dr. Gabriel Simon Thattil**  
Director
