

# CERTIFICATE COURSE ON **AGROECOLOGY** ACTION RESEARCH AND EDUCATION

INDIA-NORWAY CO-OPERATION

UNIVERSITY OF KERALA &  
NORWEGIAN UNIVERSITY OF LIFE SCIENCES

## Important dates

- Application process starts : 5<sup>th</sup> March, 2018.
- Application process ends : 19<sup>th</sup> March, 2018.
- Beginning of the course : 18<sup>th</sup> April, 2018.
- Duration of the course : 28 days

## **About the course**

The course envisages to inculcate capabilities in action based learning in agroecology by fostering knowledge and skills for analyzing and developing sustainable agroecological models. The focus areas will be organic agriculture, farming and food systems, health and nutrition and agronomics. The aim of the course is to equip the students with core competencies to address the trans disciplinary challenges of sustainable development based on action reflection methodology. Certification will be based on continuous and comprehensive evaluations.

## **How to apply**

Candidates who possess a post graduate degree or equivalent qualification in disciplines including botany, zoology, agricultural sciences, environmental sciences, public health, commerce, management, economics, sociology and education can submit application to Dr. Manju S. Nair, Programme Coordinator, Indo-Norwegian Collaboration in Action Research and Education, Department of Economics, University of Kerala (via email [agroecology.ku@gmail.com](mailto:agroecology.ku@gmail.com)) alongwith the following

- a) A brief biodata
- b) One page write up on 'Why I am interested in the course'
- c) Short research proposal on any issue related to agroecology

## **Selection process**

Candidates will be shortlisted on the basis of the write up and short research proposal submitted. Final selection will be based on personal interview.
